Custom Design Form In-Studio

All Custom Designs require a non-refundable deposit of \$75.00 plus \$10.95 shipping (if needed). Allison will contact you to go over your custom design by either a call or email. At that time be ready to talk about pearls you wish to use, length, any added items like coins, crosses, and/or metal work, If you want adjustable or fitted, and any other details that will help her design that special piece for you. Remember she is a Professional Jewelry Designer with years of experience, and will know what will and will not work together. Her time is very valuable, so be ready with as many details that you are looking for, so she can work them into your piece. Custom Design will be evaluated and an estimate will be emailed to you along with an invoice if applicable. Once paid, Design goes into pending. Please allow up to 6 weeks for return. Upon completion, you will be emailed tracking info on your piece.
