

**COLLEGIATE CATALOG 2019**

VENLEY WAS STARTED IN 2010 BY KEVIN GRESSLEY AND NICK VENTURA. TWO YOUNG FOUNDERS WITH A PASSION FOR THE SPORTS INDUSTRY. KEVIN AND NICK BOTH GREW UP PLAYING COMPETITIVE SPORTS AND STILL LOVE WATCHING ALL SPORTS TO THIS DAY.

“WE WANTED TO WEAR ELEVATED BASICS WHILE WATCHING OUR FAVORITE TEAMS AND WE FELT THAT EVERYONE ELSE WOULD TOO!”

IN THE BEGINNING VENLEY WAS ALL ABOUT COLOR CHOICES AND WASH PROCESSES BUT WE ARE MOVING IN A MORE ECO-CONSCIOUS AND STREAMLINED DIRECTION.

CO-FOUNDERS KEVIN GRESSLEY AND NICK VENTURA. VENLEY WAS FOUNDED IN LOS ANGELES, CA AND REMAINS CLOSE TO WHERE IT ALL IS MADE.

WOMEN'S SOFT COTTON  
OVERSIZED T-SHIRT

AFTER 10 YEARS OF BEING PARTNERED WITH THE LARGEST KNITTING MILL IN THE U.S. AND MANUFACTURING SEVERAL MILLION UNITS A YEAR, WE HAVE LEARNED A LOT ABOUT THE HAZARDOUS ISSUES AFFECTING OUR PLANET. WE ARE EXCITED TO LAUNCH A LINE IN THE SUSTAINABLE FASHION SECTION OF THE INDUSTRY USING 100% RECYCLED MATERIALS. WE HAVE FOLLOWED THE SUPPLY CHAIN FROM BEGINNING TO END AND WILL CONTINUE TO IMPROVE OUR PRODUCTS AS WELL AS OUR WORLD. HERE ARE SOME OF THE ISSUES WE HAVE WORKED TO IMPROVE:

FACT: THE AVERAGE T-SHIRT USES 400 TO 600 GALLONS OF WATER TO PRODUCE (THAT’S EQUIVALENT TO SEVEN TO 10 FULL BATHTUBS); A PAIR OF JEANS USES 1,800 GALLONS OF WATER (THAT’S ABOUT 6,800 ONE-LITRE BOTTLES); THE FASHION INDUSTRY USES 1,600 CHEMICALS IN THEIR DYEING PROCESSES, ONLY ONE PERCENT OF WHICH HAVE BEEN APPROVED BY THE ENVIRONMENTAL PROTECTION AGENCY OUR PROCESS:

BY CAREFULLY CHOOSING OUR PRODUCTS AND VENDORS, WE HAVE REDUCED OUR CONSUMPTION BY 30% DURING THE KNITTING AND FINISHING PROCESS.

FACT: A T-SHIRT CAN TRAVEL UP TO 3,500 KM BEFORE IT LANDS ON A CONSUMER’S BACK.

FROM KNITTING, CUTTING, SEWING, DYE, AND FINISH, VENLEY MANUFACTURES EVERYTHING VERTICALLY WITHIN THE SAME 16 CITY BLOCKS IN DOWNTOWN LOS ANGELES. VENLEY DOES NOT NEED OR USE ANY TRUCKS TO TRANSPORT MATERIALS IN LA!

FACT: CONSUMERS USE 400% MORE CLOTHING TODAY VERSUS 20 YEARS AGO THE AVERAGE GARMENT IS ONLY WORN SEVEN TIMES BEFORE IT GETS THROWN OUT!

USING 100% RECYCLED FABRICS VENLEY WILL TURN YOUR MOMS DISCO PANTS INTO YOUR FAVORITE TEE AND HOPEFULLY ONE DAY, YOUR FAVORITE TEE WILL BECOME YOUR CHILD’S FAVORITE BLANKET.
