

# GenOn Ministries

Equipping faith communities and families to develop lifelong Christian disciples of all ages through intergenerational relationships

It's been a wonderful spring filled with church visits. I've spent time with folks in Kansas, Florida, Pennsylvania, New York, Maryland, Illinois, and Wyoming. Whew! A bit exhausting but at the same time quite energizing to **hear stories about the powerful impact** of LOGOS (particularly) on congregations and communities. I'm continually reminded of the importance of growing Christian relationships. **Thank you for the important part that you play in making it all happen.**

Blessings,

Liz
