

GenOn Ministries

Our mission: **Equipping faith communities for Christian discipleship through intergenerational relationships**

At our **Leadership Gathering** last fall in Nashville for our Board of Directors, staff, training leaders and Youth Summit leaders, we announced **a new vision** statement for GenOn:

A world filled with thriving Christian communities

As a GenOn donor, you are an important partner in making that vision come true. Thank you. Keep it up!

Peace in Christ,

Liz

What's the latest?

DeHaven Grant: We've awarded our first recipient and following LOGOS training the church is now working to get LOGOS started and will attend the **GenOn Youth Summit**. Isn't that great news?

Faith for Life Bible Curriculum: The revision is complete! We have partnered with the Presbyterian Church to make it available for more churches and are seeking other denominational partners to widen exposure of all our resources. Do you have those connections?

InterGenerate Conference: We're excited to co-sponsor this gathering of researchers and practitioners of intergenerational ministry. It's in Nashville this June. Will we see you there?

Training and Resources: New resources for churches are leading to stronger ministries. Excellent training—including new workshops—are equipping church staff and volunteers for growing disciples of all ages. Are you as excited as we are?

Our **PASSIONATE** Board of Directors

Anne Pankratz, **President**
Rev. Dr. Mark Mueller, **Vice President**
Tara Dew, **Secretary**
Tom Kanavy, **Treasurer**
Dr. Holly Allen
Ed Carlson, **emeritus**
Shirley Carlson, **emeritus**
Beth Fratzke
Thomas Guthrie
Rev. Aqueelah Ligonde
Rev. Anna Taylor-Sweringen

Liz Perraud, **Executive Director**
Suzie Lane, **Program Director**
Nancy Shimpeno, **Bookkeeper**
Renda Brinson, **Regional Church Supporter (South East)**
Kelly Burnett, **Youth Summit Coordinator**
Betsy Dishman, **Training Coordinator**
Katie Foster, **High Vision E-newsletter Editor**
Kelly Kaufman, **Community Outreach Coordinator**
Robin Menck, **Regional Church Supporter (North Central)**
Nancy Nale, **Training and Resources Specialist**

How does your donation to GenOn bring more people to Jesus Christ?

A church struggling with declining membership is trained to implement a new LOGOS ministry to bring life back into the congregation. **Your donation makes this training affordable.**

A thriving church implements more resources to address the needs of a growing congregation. **Your donation allows us to develop and improve our resources.**

A teen attends her first youth summit and meets teens from different socio-economic and ethnic backgrounds and finds a shared love of Christ. **Your donation makes this summit possible.**

A church in a financially distressed community, without enough funds to pay for training and resources affordable to most churches, starts a sustainable LOGOS ministry. **Your donation to the DeHaven Grant provides a unique opportunity to meet that need.**

A volunteer training leader is nurtured and equipped and now brings LOGOS to a new church or strengthens ministry in another church, touching the lives of many. **Your donation allows us to find and train the best volunteers available.**

A church with no prior knowledge of GenOn learns how their congregation could benefit from a LOGOS ministry and begins the process to implement. **Your donation provides the resources for the technology needed to effectively and efficiently reach more churches.**

Our AMAZING Volunteers

We are able to extend our reach through a network of over 100 volunteers who lead our training events, staff our youth summits, serve as Ambassadors at conferences, and donate many in-kind services. That doesn't even begin to count the volunteers in all the LOGOS churches!

"One generation shall laud your works to another, and shall declare your mighty acts." Psalm 145:4
