

# GenOn Ministries

---

Our **mission** (what we work for every day) is to equip faith communities for Christian discipleship through intergenerational relationships.

Our **vision** (where we see the future because of our work) is a world filled with thriving Christian communities.

As a GenOn donor, you are an important partner in making that work and that future come true. Thank you.

Peace in Christ,

Liz  
Executive Director

## What's the latest news from GenOn?

**Sunday LIFT (Living In Faith Together):** This resource takes Sunday school from the classroom to around the table. 20+ churches are piloting our intergenerational Sunday morning curriculum, based on LOGOS, and it will be ready for all churches for fall use. We've heard that it's an answer to prayer! **Encouraging!**

**Our Advisory Council:** Twelve experts are helping ensure the future of GenOn's mission by evaluating the current and future state of intergenerational culture. Stay tuned for reports on the local church and seminaries! **Exciting!**

**New training:** This spring we debuted "Generations, Relationships, Christ: Getting Along, Discovering Gifts, and Equipping Leaders" as training to benefit the whole church from our 55+ years of accumulated ministry experience. **Wow!**

**DeHaven LOGOS Fund:** Churches in under-financed situations are interested in funding to get LOGOS started or revitalized, especially as a way to be in relationship with their neighbors. **Yes!**

## Our VISIONARY Board of Directors

**Anne Pankratz**, President  
**Beth Fratzke**, Vice President  
**Tara Dew**, Secretary  
**Tom Kanavy**, Treasurer  
**Rev. Aqueelah Ligonde**

**Robin Menck**, Regional Church Supporter (North Central)  
**Amanda Nevin**, Database Administrator  
**Liz Perraud**, Executive Director  
**Nancy Shimpeno**, Bookkeeper

# How does your donation bring more people to the love of Christ?

“GenOn has allowed us to carry forward the essential mission of giving each of our youth the **finest opportunity for education and growth** available in the Christian church today. Our LOGOS volunteers have attended **GenOn’s training** over the years, ensuring the long-term success of LOGOS—it renews, refreshes, re-energizes.”

Shepherd of the Hills Presbyterian Church, Casper, WY

“As a multi-cultural congregation, it would be easy to separate groups to form along ethnic or racial lines. **LOGOS is a uniting force** in the congregation, bringing all groups together for three hours of fellowship and ministry each week. The ideas, training, and support from **GenOn is what makes the local ministry possible.**”

Concordia Lutheran Church, Worcester, MA

“I have seen young peoples’ **lives changed because of LOGOS**. The church is fully involved which makes for high commitment but high reward. We believe the **greater church benefits** from GenOn’s intergenerational approach.”

First Presbyterian Church, Jamaica, NY

“GenOn Ministries has helped us think through how our church provides opportunities to form **lasting relationships with Jesus Christ** and others.”

Advent Presbyterian Church, Cordova, TN

Your donation allows us to equip the **FINEST VOLUNTEERS** available, develop **NEW TRAINING** and **RESOURCES**, create **SUMMER YOUTH SUMMITS**, support **STRUGGLING CHURCHES** and so much more—all to nurture abundant life-giving relationships with God through Jesus Christ. Thank you!

## Our AMAZING Volunteers

We are able to extend our reach through a network of **over 100 volunteers** who lead our training events, staff our youth summits, serve as ambassadors at conferences, and donate many in-kind services. And then there's all the volunteers in all the LOGOS churches!
