2019 GenOn Youth Summit Info

Purpose

The purpose of this weeklong national gathering is to bring together youth and adults for a unique experience, which, on a daily basis, faithfully integrates the four essential parts of LOGOS. Ultimately, the mission of the Summit is to nurture young people into discipleship through Christian relationships.

Facilities

GYS West is held at the YMCA of the Rockies in Estes Park Center, Colorado. Youth of the same gender and grade level are grouped together in dormitories. Roommates are from different congregations and, when possible, from different states. Each youth room is assigned two adults to serve as the Room Leaders, affectionately known as “Room Parents”. Adults will be assigned adult only rooms interspersed amongst the youth rooms. Accommodations include bedding, linens, and towels.

PLEASE NOTE - Families or adults requesting private rooms are housed in the same type of dorm rooms. The YMCA charges GYS based on the number of beds in each room - not the number of actual people. A room with the potential of sleeping 5 that only has 2 people actually staying in it costs GYS considerably more. Therefore, to keep the registration costs as low as possible for ALL, these additional charges are passed to the families or individuals requesting special accommodations. If anyone in your group needs special housing arrangements, please contact Kelly Burnett for pricing information.

Meals are prepared by the YMCA staff and served buffet style in the YMCA dining hall. ***Please communicate medically necessary special dietary needs ASAP and we will work with the YMCA to see if adjustments can be made to our standard menu.***

For complete information about YMCA of the Rockies go to <http://www.ymcarockies.org>.

Schedule

Registration takes place @ 6:00 pm on Sunday evening. This allows everyone a chance to arrive in the area and get a good dinner before checking in. Once you check in, everyone will have time to get unpacked in their rooms and then gather back in our large group space for our Opening Convocation.

We start each day with breakfast and then gather for worship as a large group. From there we break into our smaller groups to experience all parts of LOGOS:

- Bible Time - we explore our faith together through Bible Study in small, age-level groups
- Activity Hour - we have lots of fun in the groups we choose during the registration process to get active and develop relationships with each other
- Worship Arts - we explore components of worship leadership through opportunities such as choir, liturgy writing, music, sign language, etc. in order to prepare for our closing worship on Friday night
- Family Time/Fellowship - There are LOTS of opportunities for FELLOWSHIP at Summit! We eat all meals together in the dining hall. The afternoons give us an opportunity to participate in other supervised activities with either our church groups or other small groups. This might include group-building activities or opportunities to explore the surrounding areas. In addition, special All-Summit events are held each evening.

As a supplement to our regular daily schedule, a mid-week special mission project allows us to serve the local community.

The conference officially ends Saturday morning. **Please do not plan to leave before 6am Saturday.**

Discipline Policy

All behavior at the GYS is guided by our shared theological understanding of treating one another as a child of God. We believe, therefore, that no one has the right to treat anyone else as if they do not matter. The implications for our life together at GYS are that we respect one another, our surroundings, and ourselves. According to these theological guidelines church Group Leaders, Deans, and Directors handle inappropriate behavior. All adults and youth sign a covenant as part of registration.

Children at GYS

The GYS is designed and held for youth who have completed grades 8 and above. However, families are welcome at Summits with the understanding that parents are responsible for the supervision and safety of their younger children during the week. YMCA of the Rockies has a wonderful day camp for children. This camp does fill up very quickly. To make arrangements for children to participate in day camp, contact YMCA of the Rockies directly at <http://www.ymcarockies.org> or call 1.888.613.9622.

Children younger than those who have completed 8th grade will be charged the child registration fee as well as the additional charge for a family room (see Facilities).

Adult Leadership

The GYS is built upon the close relationship of adults working with youth. Therefore, groups should bring one adult for every four youth. If your group includes male and female youth, male and female adult leaders are strongly requested to accompany your group; but if this is not possible, please contact GenOn Summit Coordinator, Kelly Burnett, to discuss options. We do not want this to be a limiting factor to your group and might have some options for balancing ratios.

As in a local LOGOS program, all adults at the GYS serve in leadership roles, where the prime qualifications for leadership are:

**Love God
Love youth
Have a gift to share**

While there is a called core staff of leadership extensively planning for Summit each year, it is the responsibility of the local congregation to call qualified adults to lead during Summit. Adults are expected to treat all youth as if they are their own youth, seeking to form relationships and encouraging and guiding them during this week into a deeper life of discipleship. All adults sign the covenant on the registration form agreeing to abide by all the rules and expectations and assist in providing leadership to the GYS. In addition, all adults are required to have a criminal background check completed in order to attend Summit.

There are **three primary roles** for adults:

1. Being an example to the young people by modeling the GenOn Ministries' principles of loving, Christ-like relationships
2. Serving as a Bible Study Leader or Assistant and an Activity Leader or Assistant, as identified
3. Serving as a Room Leader

Bible Study Leaders/Assistants

1. Will be provided a theme-based Bible study curriculum prior to Summit.
2. Will be faithful in preparing to teach the Bible study curriculum during the Summit week to a small group of 8-12 youth of the same grade level.

Activity Leaders/Assistants

1. Will follow the goal of Activity time: "Have great fun at the expense of no one else."

2. Will supervise activities emphasizing Child of God behavior.
3. Will provide a safe physical and emotional environment.
4. Will encourage everyone to participate and build relationships.
5. Will lead activities that may include the following:
 - a. Sporting events - Leaders organize teams in such a way that everyone is valued, and are responsible for care of equipment that is provided
 - b. Table Game/Card Games - Leaders bring various board/card games of interest for youth
 - c. Craft Activities - Leaders plan for various crafts and provide materials (expenses will be reimbursed when receipts are submitted)
 - d. Worship Arts Activities - Leaders provide opportunities for youth to experience various components of worship leadership through opportunities such as choir, liturgy writing, music (voice & instrument), sign language, etc. in consultation with GYS Director/Worship Leader

Room Leaders

1. Will supervise a dorm room group of up to 6 youth.
2. Will lead "Talk it Over Time" at end of day to reflect on the day's experiences.
3. Will help young people abide by GYS rules for the dorms: lights out, quiet times, & being good caretakers of facilities.

Young Adult (College-Aged) Leadership

The talents and gifts that our "GenOn Graduates" bring to GYS leadership are highly valued! We also realize that it is sometimes difficult to move from "camper" to "counselor."

The first few years after high school--either in college or working--are exciting, scary, challenging, and full of possibilities. Many youth have life changing experiences at GYS in high school and then drift away from their faith in the years following. We want to continue our relationship with these young adults by intentionally encouraging young adults to attend GYS. The young adults will have their own Bible Study group, adult mentors to help them transition from camper to counselor, and opportunities to fellowship and grow with other young adults. They will also take on some leadership roles under the supervision of adults.

SPECIAL NOTE: Previous GenOn Youth Summit West gatherings have provided limited funds to offer needed financial support to young adults who have attended GenOn Youth Summit West in the past with a delegation, either as a high school youth or as a "college aged" young adult. These funds were collected through a special offering with the hopes of assisting young adults for whom the Summit was formative but who are either not yet ready or not able to move into an adult leadership role in a local LOGOS program. The maximum award of this scholarship is 50% of the regular registration rate for Summit West. {DETAILED INFORMATION on p. 17}

Physical Expectation While @ Summit

In an effort to be sure that all are prepared for Summit West, we want to share some information about the physical exertion you should expect for the week. Each participant should expect to walk around the YMCA in higher altitudes than most are acclimated to in order to go from event to event. Based on experience, this will not be an issue for most participants; but we want to be sure that everyone is aware of the expectations. We have found that good self-care is important and helps alleviate most problems while away from home, so drinking plenty of water, observing sleep times, and eating healthy at all meals will help participants to fully participate without any problem. More helpful tips will be included in the Welcome Packet you will receive in the early Spring, after registration is complete. However, if you feel that any member(s) of your group might have difficulty with this expectation, please contact Kelly Burnett (GenOn Summit Coordinator) to discuss options.

Registration Process

1. Download Summit packet

2. Designate a Group Leader and a Church Contact Person

Determine who will be the church group leader and the church contact person (if appropriate). The Group Leader is an adult traveling with the group who has key leadership of the group. The Contact Person is a church staff person who will be kept aware of important information about Summit (i.e. Pastor, Associate Pastor, CE Director, etc.) All communication from GenOn to the church group will be directed to these key people. The GYS staff will confer directly with the group leader regarding any problems or concerns involving a member of their church during our time together at Summit.

3. Hold an Information/Registration Meeting in your Congregation

Invite the youth, young adults, and parents to an information meeting in early winter to discuss the plans for this year's Summit! PUBLICIZE EARLY and reach out to all current 8th graders and older in your congregation!

HINT - This is a good time to discuss fundraising ideas!

All forms needed for registration are included in this packet. Print and distribute the appropriate forms for each person (youth, adult, child) at that meeting and others you might speak with about Summit.

HINT - Set a deadline to collect the completed forms and deposits early enough to allow yourself time to meet the SUBMISSION DEADLINES below!

4. Determine number of Summit Participants

Count adult leaders, youth and, if appropriate, children

5. Calculate costs

To qualify for the Early Bird or Regular Registration rate, ALL registration documents (see #7) and deposits must be RECEIVED by the date specified:

	Early Bird	Regular	Late (as available)

CHILD CARE

The GYS is for youth who have completed at least 8th grade, and the activities and programs are designed for the youth participants. We do not provide childcare for children attending the GYS with adults. The GYS also depends upon the active participation of adults attending for leadership in the various parts of our program.

We understand that, in order for you to attend, you might have to bring your child. Be aware that you are responsible for the care of your child throughout the entire GYS schedule.

GYS cost is based on 5 people per room. For safety and liability reasons, we are unable to house younger children in regular rooms. Children will be assigned to stay in a room with their parent(s) and that may create an additional cost, depending on the number of people staying in the room. Please contact the GYS Operations Coordinator for the specific additional charge.

Registration for YMCA of the Rockies day camp is NOT included in this GYS registration.

I understand that special housing arrangements may be necessary for children who have not yet completed 8th grade. (Please call GYS Operations Coordinator for pricing.) I also understand that the registration fee for children covers room and board only and does not include any arrangements I make for childcare.

2019 GenOn Youth Summit Pastor's Endorsement

Dear Pastor,

The success of the GenOn Youth Summit depends upon the leadership given by the adults attending from the local congregations. In this regard, the Summit is much like a local LOGOS ministry. However, Summit leadership does not necessarily know the adults who are coming well enough to fully appreciate the gifts they have to share. In order to call adults to the area of ministry that is best for them, for the youth attending, and for the entire Summit, we ask that you complete a bit of information about the adults from your congregation, keeping the following information in mind:

There are three major areas of service for adults:

- Bible Study Leader or Assistant Leader - this person needs to have experience with teaching youth
- Recreation/Activity Hour Leader - this person needs to have knowledge of the activity and a love of working and playing with youth
- Room Leaders - since room arrangements provide a core relational group, this person should have an ability to share in relationships with youth

Regarding leadership by college aged young adults (ages 18-21) - we value the talents and gifts that our "Summit Graduates" bring to Summit leadership! Part of the focus of our Young Adult program is to help our Young Adults develop their Christian leadership skills; therefore, we ask that you provide some additional information on their leadership ability. This helps the staff to call them into an appropriate leadership role.
