Late Registrations

We strive to have registrations completed by April 1st, as knowing who is coming is essential to the planning of the Summit. Bible Study groups and Activity groups are arranged by grade levels and room assignments are made by information contained on the registration forms. In addition, Leadership for the Summit is called from the adults who will attend. We appreciate your efforts to get all registration materials in ON TIME, as we cannot complete our rosters until information from everyone attending is received.

After the April 1st deadline, registrations will be subject to availability and approval from the Summit Coordinator, Kelly Burnett. ***We always do our absolute best to make room for all who would like to attend!***

June 1, 2024

All payments and individual registration forms must be received or postmarked by this date. Unpaid or incomplete GYS registrations may be subject to cancellation.
