CHILDCARE

The GYS is for youth who have completed at least 8th grade, and the activities and programs are designed for the youth participants. We do not provide childcare for children attending the GYS with adults. The GYS also depends upon the active participation of adults attending for leadership in the various parts of our program.

We understand that, for you to attend, you might have to bring your child. Be aware that you are responsible for the care of your child throughout the entire GYS schedule. We request that children do not attend activities planned for the youth, such as Bible Study, Activity Hour, and Vespers. They are more than welcome to attend the worship experiences and the fellowship activities.

I understand that special housing arrangements may be necessary for children who have not yet completed 8th grade. (Please call GYS Operations Coordinator for pricing.) I also understand that the registration fee for children covers room and board only and does not include any arrangements I make for childcare.
