SUPERCHARGE YOUR SHAMPOO

These hard-working products do way more than create froth

WHEN YOU THINK about the grooming product you use the most, along with shower gel it's probably your shampoo. Which is why you should give it a bit more thought than just what's on offer in Tesco. And these clever products don't just clean your hair; with new technology and formulas popping up every month, it's time to upgrade to a shampoo that gives you extra, whether that's thickening your hair or sorting your dandruff.
