

SAFE SPACES KAUPAPA

GARAGE PROJECT IS FOR EVERYONE

Our crew shares the non-negotiable expectation that all GP spaces are safe, respectful, and inclusive. By working with us, our customers and partners are committing to these principles.

COMPASSION IS A COLLECTIVE RESPONSIBILITY

We believe it is a shared duty to maintain spaces where everyone can feel comfortable. Challenge yourself and others to be aware, accountable, and enthusiastic participants in this.

WE DON'T PUT UP WITH BULLSH*T

Our crew is empowered to proactively maintain the safety of our spaces; this includes addressing harmful or discriminatory language and behaviour, halting inappropriate interactions, and removing disruptive or offensive persons.

Our most powerful tool is always open and honest conversation
- thank you for joining us in this mission.
