

# DIY UNICORN NOODLES

Turn regular noodles into Unicorn Noodles using SCIENCE! Try this fun recipe and explore the MAGIC behind these mysterious noodles!

## YOU'LL NEED:

- ▶ Hot plate/Stove
- ▶ Strainer
- ▶ Large Pot
- ▶ Limes
- ▶ Cabbage
- ▶ Rice Noodles

1 Ask a parent to help you shred the cabbage and then boil in a hot pot of water. Simmer for 30 minutes.

2 Strain the noodles and put them aside. Pour the unicorn water back into the pot and boil again.

3 Once the water is finished boiling, put the noodles in and simmer until cooked. Timing varies on preference.

4 Squeeze in some lime juice to watch the colors turn from purple to pink!

5 Enjoy!!
