

LCRC Visitors Guide

Welcome to LCRC Raceway! This is your guide to visiting our track for a race!

Lost Creek Cycles & LCRC Raceway
29207 Route 35 North
Oakland Mills, PA 17076

Tuesday – Wednesday: 9:00 am - 5:00 pm
Friday: 9:00 am – 6:00 pm
Saturday: 9:00 am - 12:00 pm

* Extended Hours during events

*Minimum Event Hours:
Tuesday – Saturday 9:00 am – 6:00 pm

Rules:

Thank you for joining us for a race! We are so grateful that you spend time away from your home, family, and work; with us. We are a family owned and operated business, and appreciate your help keeping the grounds presentable. We have many trash cans available for use throughout the property; please use them. We have two small dogs that live here, so please do not dispose of any food or grease on the grounds, and if you need help disposing of something, let us know and we would be happy to assist you. There are cigarette butt cans located around the property: please do not place butts on the ground. If you would like a butt can moved closer to your pit, we will be happy to help you with that. We have two dumpsters, one is for trash and the other is cardboard. (The smaller of the two is for cardboard.) Even during our events, our shop is also open to the public for ATV, Motorcycle, and Hobby Sales. Because of this, we ask that you please not park in front of the store. Parking is available in the grass field behind the shop. Please keep all dogs on leashes for their own safety. We do not allow RC Cars to be driven on the stones in the parking lot, but feel free to use the oval track for testing if needed. There is a wash station located on the side of the building that is closest to the Golf Course for your convenience with compressed air and water: Please keep dirty cars and water away from the Air Conditioner.

Racers are responsible to have their transponder number with them during the signup process. It is the racers responsibility to check those same transponder numbers on the heat sheets. Failure to ensure the correct number will result in not being counted, as we cannot expect our race director to change your transponder number. Sign up is located inside the hobby shop. During sign up, we use two checkout lanes; The right lane is for product purchase, and the left for sign up. You can view the heat sheets, race results, and running order at <http://lcrc.liverc.com/>. We broadcast the loud speaker over the radio on 107.9 FM. We do not allow smoking behind pit road or while marshalling. No open toed shoes are permitted on the track. We do not tolerate bad language on the drivers stand. To be sure you know all the rules for the race you are attending, make sure to attend the mandatory drivers meeting. There will be time to ask questions or receive clarification on anything written above as it pertains to that race.

Hobby Shop:

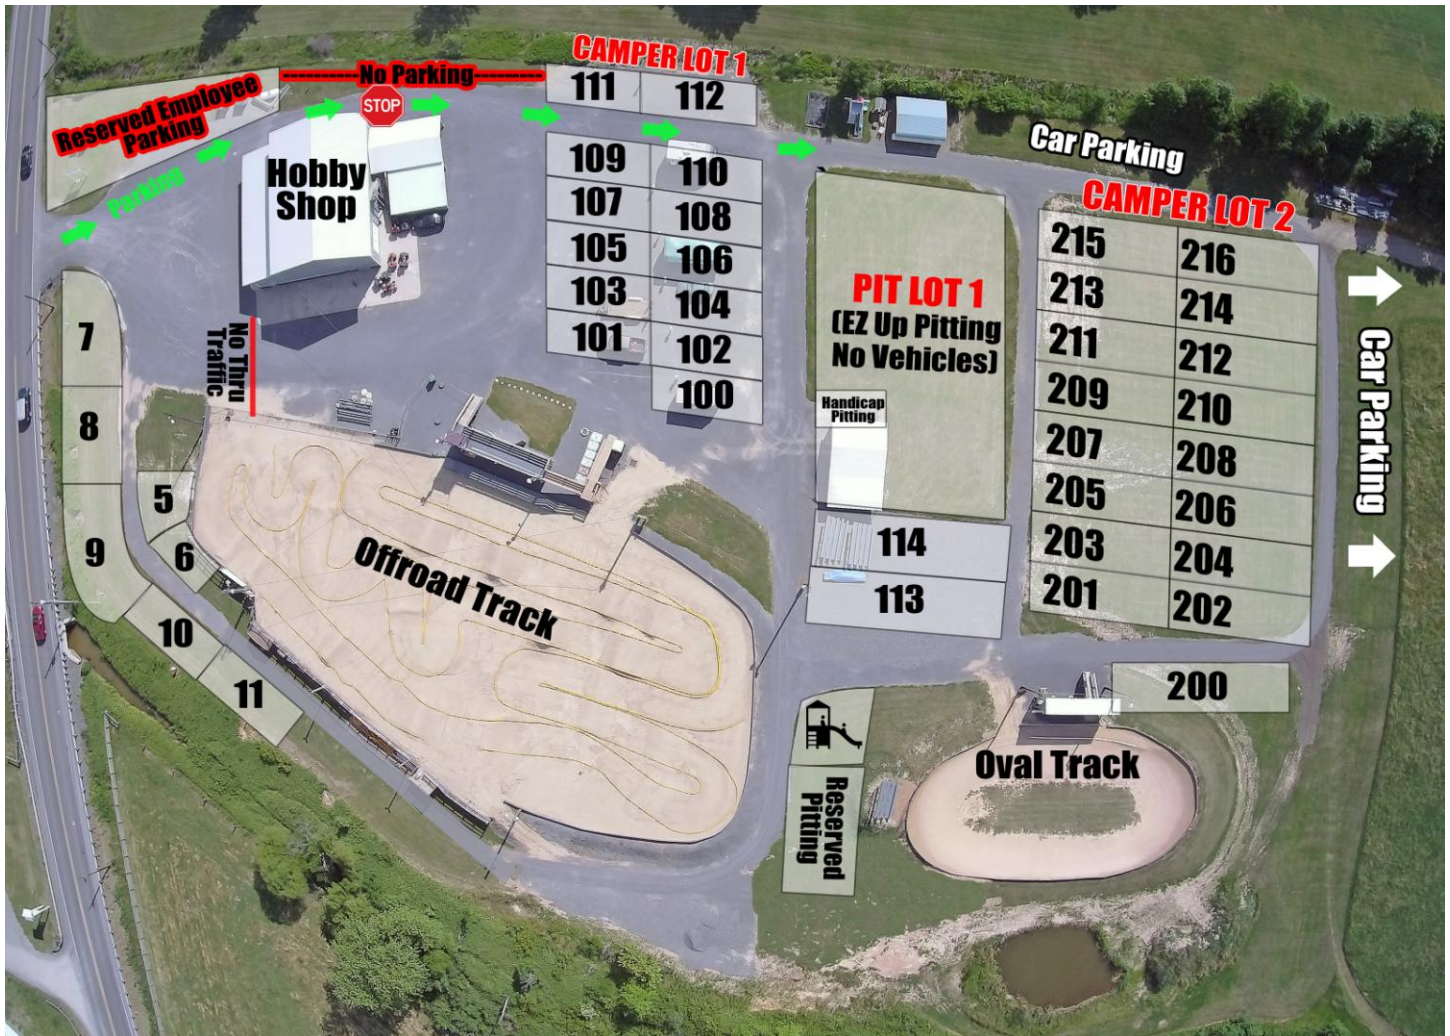

We keep a wide variety of RC parts, tools, tires, wheels, electronics, and more in stock at our facility. Most items are available for purchase online at lccraceway.com, as well as in store. If you are planning to visit us, and would like to guarantee that you get a part before it sells out, you can order it online and choose the "Will Call" option for pick up. We will pull the order for you, and have it ready behind the counter.

Pitting at LCRC:

What you should bring: A tent (EZ Up), Table, Chairs, and Extension Cord

The staff at LCRC sets up a number of EZ Up tents for reserved pitting spots in advance of each of our events, mostly for sponsors of the event and staff helping with the event. These tents are set up in the “sidewalk” area directly around the track side building (shown below). If you want to pit in the area between the hobby shop and the track, (We call this area tent city), you can build out from the tents already in place as long as your tent (or EZ Up) is 10x10. Your vehicle will be required to be parked in the “Car Parking Lot” in the back field. Staff will be on site running the golf cart around to help you get back and forth to your vehicles. All numbered spots are reserved for camper hookups.

If you would rather pit elsewhere, Pit Lot 1 is sectioned into 12x12 spots that are available on a first come first serve basis. (There are no vehicles allowed in Pit Lot 1.)

Camping at LCRC:

All campers, and trucks with trailers must stop at the golf course side of the building to be parked in the appropriate location.

LCRC allows advance reservations of RV Spots with electrical hookups. These spots are reserved on a first come first serve basis, and are the only way to have a guaranteed exact spot for the race weekend. The spots for reservation are located within close proximity to the track, in a gravel, or low cut grass spot, and have 30 or 50 amp electrical hookups. RV Spots must be paid in full at time of reservation. A full refund will be issued if a RV Reservation is cancelled 30 days prior to the start of the event. A refund of 50% will be issued if a RV reservation is cancelled 7 days prior to the start of the event. No refund will be issued after the 7th day prior to the start of the event. Making a reservation implies acceptance of these terms and conditions. LCRC reserves all rights to cancel a reservation for an event, for any reason.

Frequently Asked Questions

Do I need to reserve a pit spot?

The only spots that must be reserved ahead of time are the camper rentals with electrical hookups. Pit spots for your EZ Ups, Tables, and Chairs are available on a first come first serve basis, and there is no cost for those spots. We do have tents, tables, and chairs available for rent. If you wish you rent a tent, table, and chair, you should contact us ahead of the event.

I am bringing my camper. Do you have water for fill up? Where is the closest place to dump?

Our friend Herby from Old Port will be visiting us throughout the weekend for pump outs and water refills. This service is \$60, \$40 for a pump out of the black tank, and \$20 for a water fill up. It must be reserved in advance from in the hobby shop.

Accommodations:
