

Rise Pet Bowl Stand

Use and Care Instructions (Rev. A)

Assembly

Rise stands may arrive fully assembled or may require assembly. If assembly is required, please view our assembly overview video at the following web address.

Use & Cleaning

Place the assembled stand on an even surface that's easily accessible by your pet. To avoid accidents, ensure the stand is placed out of the way of human foot traffic. The Rise Pet Bowl Stand is not intended for use as a step stool. Improper use may result in serious injury.

The Rise Pet Bowl Stand may be cleaned on an as-needed basis. Wash with warm soapy water and a scratch-free sponge. Rinse & dry. Avoid submerging the stand's non-skid pads in water for extended periods of time.
