How much does each Pro kit cost?	Not available	Retail Price of \$419.99 with a current sale price of \$399.95 for the Short Harness with Tail Light Adapter Option. Full Harness,\$419.99 Retail / \$399.95 Sale, and Full Harness with Adapter, \$469.99 Retail / \$449.95 Sale
How much does each Sport kit cost?	Retail Price is \$299.95	Retail Price of \$299.99 with a current sale price of \$278.95 for the Short Harness with Tail Light Adapter Option. The closest comparison. Full Harness,\$289.99 Retail / \$269.95 Sale, and Full Harness with Adapter, \$349.99 Retail / \$328.95 Sale
Which is better?	Both kits offer at the least, the same 2 Sport lights from Baja Designs. So you get the same quality & warranty in either case, however, the SPV parts kit adds a lot more versatility & flexibility, both in features and choice of S2 lights, as well as plug n play wiring options. So the choice is really yours. At SPV Parts, we sell, stock & offer both kits. So you can get either one.	

Note: Prices & availability are subject to change. Sale and retail prices were correct at the time of this comparison, 11/15/2021
