EDITORIAL

Dear clients,

Hang & Display has been supplying POS display and communication professionals for more than 17 years – we are committed to supporting you in your projects.

We are pleased to present our 2020-2021 catalogue.

In it you will find:

- New and more modern graphic designs
- A new format
- A redesigned segmentation of product families

And above all, a range of more than **600 products** dedicated to store equipment & access to thousands more through our global supply chain.

Many thanks for the trust you have shown all these years. Do not hesitate to contact us.

OUR COMMITMENTS

1

FAST DELIVERY TIMES

For Sydney we offer same or next day service. NSW, VIC, ACT and QLD metro business addresses enjoy next day shipping. For WA, SA and NT we offer Express freight services. ⁽¹⁾.

(1) For custom and special orders lead times apply as per quote terms. Economy as well as direct courier services also available on request.

2

INTERNATIONAL DELIVERY

We offer fast DHL, TNT and FedEx Air freight services as well as economy international post.

3

A FREE "SAMPLE" SERVICE

Many of our items qualify for free samples*, contact our sales team to request your samples.

*Shipping charges apply.

4

SATISFACTION GUARANTEE

If you are not happy with your purchase contact us within 7 days of reception of goods to arrange replacement/ex-change⁽³⁾.

(3) Return shipping paid by customer, all items must be returned unused and in original packaging.

5

A "PERSONALISED ADVICE" SERVICE

Call or email us about your specific needs or send us photos of the application and our staff are more than happy to provide recommendations to best suit your needs.

6

FAST QUOTATIONS

Most items and orders are quoted on the spot or within minutes, for custom items and special orders we endeavour to reply within 24-48 hours.

7

A PROFESSIONAL TEAM

Contact our highly experienced and knowledgeable team 8am to 5pm weekdays, they are happy to help in any way possible.

8

24/7 ONLINE SERVICES

Shop our range of products online, get detailed specifications or browse thousands of photos anytime. Don't forget to register an account and enjoy many benefits.

CONTACT US & ORDERS

Feel free to contact our experts, they will be pleased to support you in the design of your project !

LET'S CREATE A MORE SUSTAINABLE WORLD TOGETHER...

OUR ENVIRONMENTAL PROGRAM

Integrating eco-design criteria throughout all phases of a product's life cycle and more broadly in the way we operate : these are the objectives of The Green Act !

Hang & Display has been taking environmental issues into account for several years now, applying **good practices within the company**, or taking into account **the impact of our products on the environment**. But this year marks a turning point thanks **to our Green Act program** with the will to develop our eco-responsible offers to accompany you in your projects.

GUIDANCE
FOR USE

STORAGE : The double-sided tape must be stored in a dry room, at room temperature and away from light.

USE : We recommend that you carry out tests in actual situations to ensure that the double-sided adhesive adheres well to the substrates.

SURFACE PREPARATION :
To ensure good adhesion of the

double-sided tape you should prepare the surface by dusting and degreasing it with the isopropyl alcohol.

- Clear PVC extrusion 25 mm L x 14 mm H that slides firmly onto the front of any traditional data strip. The small clip allows the attachment of a shelf talker that focuses the shoppers attention on the items in that area. These clips are easily removed at the end of a promotion, returning the front of the shelf area to it's previous sleek appearance.
- Custom lengths available on request.

OUR EXPERTISE

A VERY WIDE RANGE OF PRODUCTS

Adhesive hangers that allow you to hang all types of packaging or to strengthen or repair them.

MADE IN EUROPE SINCE 1992

100% RECYCLABLE

Our Hang Tabs are made of PET, a common category 1 plastic recognised by the recycling sector.

CUSTOMISED

Your Hang Tabs can be customised according to your needs or to facilitate specific packaging.

CONTACT US

5 STEPS TO CHOOSE YOUR HANG TAB

1

CHOOSE ITS USE

HANGING

REINFORCING

REPAIRING

2

CHOOSE ITS HOOK

DELTA SLOT: Reference to the USA. Suitable for single or double arms.

EUROSLOT: European reference for single or double arms. Excellent hold. Also available as a double tab.

ROUND HOLE: Suitable for single arms. Ideal for small and light products. Also available as a double tab.

OPEN HOOK: Allows the product to be removed from any position on the arm.

3

SELECT THE RIGHT HANG TAB RANGE ACCORDING TO THE WIDTH OF THE PACKAGING

SMALL

Self-adhesive surface
from 15 to 30 mm wide
depending on model

MEDIUM

Self-adhesive surface
40 x 35 mm

LARGE

Self-adhesive surface
50 x 50 mm

HOOK
RANGE

Self-adhesive surface
18 to 65 mm

4

CHOOSE THE HANG TAB ACCORDING TO THE WEIGHT OF THE PACKAGING

THE FLEXI RANGE: MAXIMUM WEIGHT 250/300 G

- Consists of:
 - > a rigid upper part in 250μ
 - > a flexible adhesive lower part to match the shape of your packaging or to stick onto the packaging
- Available in rolls, sheets or blocks but never in bulk.
- Once positioned on the packaging, the flexible part allows you to fold down the upper part without disturbing the packaging of the boxes.

THE RIGID RANGE: MAXIMUM WEIGHT 400 G

- Consists of a rigid 380μ PET support with:
 - > Either a high quality double-sided acrylic adhesive.
 - > Or a permanent foam to absorb variations in the flatness of the product.
- Available in rolls, sheets or bulk but never in blocks.
- 2 finishes:
 - > A non-folding product that can disturb overwrapping - some folding references.

5

CHOOSE ITS POSITIONING

HANG & DISPLAY

GENERAL TERMS AND CONDITIONS OF SALE

1 - GENERAL

- 1.1 In these conditions 'The Company' refers to Hang & Display Pty Ltd and the 'Customer' refers to the purchaser of the goods.
- 1.2 The Customer agrees that the conditions set out below shall be incorporated into any contract with the Company.
- 1.3 Clerical errors may be corrected by the Company at any time

2 - FORMATION OF CONTRACT

- 2.1 The Customer's standard terms or any other terms provided by the Customer shall not be incorporated into the contract or any variation thereof less expressly accepted by the Company in writing.
- 2.2 The order consists of an acceptance by The Company to supply the goods and or services upon The Company's terms and conditions here set out and shall, unless previously cancelled by The Company by written notice to The Customer, be deemed to be accepted upon receipt by The Company of The Customers' written or verbal instructions to supply goods and or services, by accepting delivery of any part of the Goods and or services. The Terms and Conditions here set out shall apply to the contract to the exclusion of all Customer order terms and conditions on which any purchase order has been given to The Company or subject to when the order is accepted or purported to be accepted by The Company. Neither party shall be bound by any variation, waiver or addition or exclusion to the terms and conditions here set out unless agreed in writing between the authorised representative of The Company and The Customer.

3 - QUOTATIONS

- 3.1 All prices are, unless otherwise stated, quoted Ex Works exclusive of delivery costs and GST. The Company reserves the right to be exercised at its discretion, to vary the price of goods, if, subsequent to the date of the quotation there is any increase or decrease in the total cost to the Company of producing or acquiring the goods which is beyond the Company's control.
- 3.2 In such an event the Company will give written notice to the Customer before delivery. If such alteration increases the price, the Customer may cancel the relevant order by notice given to the Company within 3 days of the date of the notification of the increase by the Company.

4 - SAMPLES

The Company may at its discretion submit a sample to the Customer for approval before executing the bulk of the order, which will only be commenced on receipt of such approval in writing. All goods in respect of which is sampled is so approved shall be deemed to have been satisfactorily tested by the Customer and to comply with the specification for the goods.

5 - WARRANTIES

- 5.1 The goods shall be of satisfactory quality and will conform to any specification agreed by the Company in writing, within the normal limits of industrial quality for such goods.
- 5.2 The liability of the Company for breach of the above term, or any claim in respect of any defect in the goods, shall be limited to replacement of the defective goods or, at the Company's option, reimbursement of the price paid for those goods. The company's responsibility is strictly limited to the pure and simple replacement of any defective recognized goods /parts by cross-examination after return in our stores, whatever the nature of the defect is. This excludes any damages & failures whatever they are.
- 5.3 The Customer shall not be entitled to make any claim in respect of any such defective goods unless the claim is notified to the Company in writing within 7 days from delivery of the goods.
- 5.4 The Company shall not be liable to the customer where the defect or damage in respect of which a claim is made has been caused or contributed to by:
- 5.4.1 Abnormal usage of the goods. The company cannot accept complaints for goods which were used or transformed by the buyer.
- 5.4.2 An act or omission of anyone other than The Company.
- 5.5 Any particular purpose for which the goods are to be fit must be agreed in writing between the Company and the Customer. If no such agreement is made, the customer acknowledges and agrees that he has not made known expressly or by implication to the Company any particular purpose for which the goods are being bought.
- 5.6 Save as set out above:
- 5.6.1 All terms relating to the quality of the goods or to the fitness to the goods for a particular purpose are excluded from any contract between the Company and the Customer.
- 5.6.2 The Company shall be under no liability in respect of any defect in the goods.

6 - DELIVERY

- 6.1 Time is not of the essence of the contract.

6.2 If the Company does not deliver the goods within 21 working days of the date stated for delivery on the order then the Customer may give written notice to the Company that delivery is required within a period of not less than 14 days, to be sent by recorded delivery. If the Company fails, without good reason, to commence delivery of the goods within the stated period then the Customer may cancel the order. In the event of such cancellation the Customer shall not be liable to pay any further sums in respect of goods which have not been delivered.

6.3 The Customer shall have no right to damages for any failure on the Company's part to deliver the goods in accordance with the time stated for delivery.

6.4 Where an order requires delivery of a number of items, the Company reserves the right to deliver all or any number of those items as soon as they are available and the Customer shall honour all statements presented in respect of such deliveries in accordance with the payment terms.

7 - INSPECTION AND ACCEPTANCE

- 7.1 If the Customer wishes to inspect the goods prior to delivery, such inspection must be made at the Company's premises and notification of this requirement must be given in writing at the time of placing the order. If upon inspection goods are approved by or on behalf of the Customer then such approval shall constitute acceptance by the customer that the goods conform with their specification and that the goods are fit for any particular purpose agreed under clause 4.
- 7.2 If no such inspection is made then, unless the Customer gives written notification to the contrary to the Company within 3 working days after delivery, the Customer shall be taken to have approved the goods and to accept that the goods conform with their specification and that the goods are fit for any particular purpose agreed under clause 4.

8 - SPECIFICATION

- 8.1 All drawings, descriptions, specifications and particulars of the goods to be supplied are approximate only.
- 8.2 The descriptions and illustrations contained in the catalogues, on the website and other advertising of the Company have been provided in good faith by the Company but:
- 8.2.1 No such description, illustration, price list or other advertising shall form part of the contract;
- 8.2.2 If the Customer wishes to rely on any such description, illustration, price list or other advertising in entering into the contract it must notify the Company in writing before the Company provides a quotation. If no such notification is given, the Customer agrees that it did not rely on any such representation in entering into the contract.
- 8.3 The Company reserves the right to incorporate new features and to supply products which may not be strictly in accordance with the specification agreed upon, provided that any changes in specification shall not materially prejudice the performance of the goods.

9 - QUANTITIES

- 9.1 The quantity of the goods ordered shall be subject to a tolerance of +/- 10 %. Any quantity delivered within the accepted tolerance will be invoiced at the agreed rate.
- 9.2 The Company cannot accept complaints for waste or damage lower than 5 % of the order.
- 9.3 A receipt in respect of the delivery must be signed on receipt of the goods by the Customer or his representative at the Customers premises. Unless the Customer notifies the Company in writing of any shortfall within 48 hours of delivery, the Customer is taken to accept that the correct quantity has been delivered. The Company will have no liability for any shortfall and will be entitled to payment for the full quantity.

10 - PAYMENT

- 10.1 Payment for the goods must be made within 30 days of the date of the invoice.
- 10.2 In the event of non-payment within 30 days, then the Company may charge interest on all unpaid sums at a rate of 8% over the current base rate prevailing in Australia.
- 10.3 The Company does implement it's statutory right to interest.

11 - CURRENCY PROTECTION

Where it is agreed that payment for the goods is to be made in any currency other than \$ Australian Dollars the Company reserves the right to be exercised at its discretion to vary the price so as to take into account any changes in the rate of exchange between the date of the Company's quotation and the date of the invoice.

12 - RETURNS

Goods can only be returned if written authorisation has been received from the Company. The goods must be in their original cartons. Incomplete cartons will not be accepted.

13 - RISK

Risk in the goods shall pass to the Customer on delivery.

14 - TITLE

14.1 Until full payment for all goods has been received by the Company:

14.1.1 Property in all goods shall remain in the Company, notwithstanding delivery of the goods or any part of them;

14.1.2 The Customer shall be at liberty to sell or deal with the goods in the ordinary course of business, but until full payment in respect of all goods has been made;

a) The Customer shall hold the Goods as trustee of the goods for the Company;

b) The Customer shall hold any rights to payment or other consideration arising out of any sale of the goods in trust for the Company and agrees to assign such rights to the company upon request by the Company;

c) The Customer shall hold the proceeds of any sale of the goods as trustee for the Company. The proceeds shall not be mingled with other monies or paid into any overdrawn bank account and such monies shall at all times be identifiable as the Company's monies. The Customer as trustee for the Company shall not be entitled to deal with such monies in any manner whatsoever.

14.2 The Customers power to sell or deal with the goods in the ordinary course of business shall be automatically revoked if the Company cancels the order under clause 15 below.

14.3 Upon determination of the Customers power of sale, the Company shall be entitled to reclaim the goods and the customer grants the company a license to enter the Customers premises for that purpose.

the goods and the customer grants the company a license to enter the Customers premises for that purpose.

15 - CANCELLATION

15.1 If at any time the Customer cancels an order for goods or services which do not appear in the Company's most recent catalogue or which are, in the Company's opinion non standard, then the Company shall be entitled to claim an amount up to 85% of the value of the order, as liquidated damages for stock. The Customer agrees that the said amount represents a genuine pre-estimate of the Company's loss. The said sum shall be recoverable by the Company from the Customer as a debt.

15.2 If the Customer fails to make the correct payment to the Company for the products by the date on which any such payment is due, or makes a composition or arrangement with his creditors, or becomes bankrupt or being a company makes a proposal for a voluntary arrangement for a composition of debts or scheme of arrangements to be approved in accordance with the Companies Act 1985 or the Insolvency Act 1986 as the case may be or any amendment or re-enactment thereof, or has a provisional liquidator appointed or has a winding up order made or passes a resolution for voluntary winding up or under the insolvency Act 1986 or any amendment or re-enactment thereof has an administrator or an administrative receiver appointed then:

15.2.1 The Customer shall immediately inform the Company;

15.2.2 The Company may by notice in writing to the Customer cancel the order any other orders which may be outstanding between the Customer and the Company.

15.3 In the event of such cancellation:

15.3.1 The Company shall be entitled to reclaim the goods in accordance with the provisions of clause 14 above;

15.3.2 The Customer shall remain liable to pay the Company the full purchase price for the goods less (i) the disposal value received by the Company for the whole or part of the goods in its possession or reclaimed by the Company under paragraph 14 above (ii) any part of purchase price for the goods paid by the Customer to the Company and (iii) any direct costs incurred by the Company in the direct costs incurred by the Company in the performance of the order. The Company's determination of such amount shall, in the absence of manifest error, be binding on the Customer.

16 - FORCE MAJEURE

The company shall not be liable to the Customer for failure to deliver the goods or for any delay in delivery of the goods or for any damage to or defect in the goods where such failure is caused or contributed to by any cause outside the Company's reasonable control, including but not limited to shortages of raw materials, strikes, riots and civil commission or acts of God, theft, water and embargo.

17 - LAW AND JURISDICTION

These conditions are governed by Australian Law. Any disputes shall be submitted to the exclusive jurisdiction of the Australian courts

overdrawn bank account and such monies shall at all times be identifiable as the Company's monies. The Customer as trustee for the Company shall not be entitled to deal with such monies in any manner whatsoever.

14.2 The Customers power to sell or deal with the goods in the ordinary course of business shall be automatically revoked if the Company cancels the order under clause 15 below.

14.3 Upon determination of the Customers power of sale, the Company shall be entitled to reclaim
