Recyclable fibres

Economical
solution

Very attractive

Our new Hang Tabs are made of 1 mm thick kraft cardboard, thus ensuring a **very high mechanical resistance**.

We don't use any plastic and we put an adhesive mass on our Hang Tabs to provide the sticky part and so offer you a **range that is 100% recyclable!**

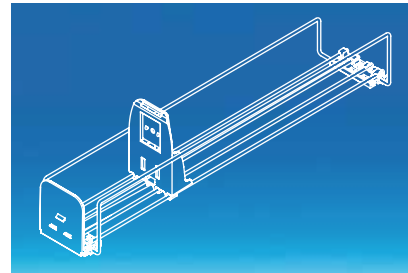

For the hooks, we prefer a range of 2 mm chipboard and adhesive to offer an alternative to our injected hooks.
