

PRODUCT SUMMARY

Instantly light up any scene or area with the battery powered Nomad® NOW, N32, and N56 scene lights. These portable scene lights are self-contained and have a built-in durable carry handle. They are compact, easy to transport, and need no cords or generators. They can be hung, placed on a table or the ground, mounted to a tripod, or mounted to a metal surface with the magnet mounts. Multiple units can also be stacked together. These ultra-rugged light work in any weather and are waterproof. The N32 and N56 offer 95 CRI production quality, True to Life™ LED light, ideal for photographers and videographers on the move.
