

MEN'S MEASUREMENT GUIDE

john kevin

To ensure you are satisfied with your John Kevin shirt, we advise that you follow this fitting guide when selecting your product. Measure the base of the neck, adding a centimetre for comfort. Measure the fullest part of the chest, and to measure the sleeve, start at the centre of the back of the neck, measure across the shoulder and down to the base of the thumb. To find your size compare your measurements with the To Fit Guide below. If you are unsure, ask your uniform supplier for assistance.
