

Welcome to The 25 Days of Christ®

We are excited to share our family Christmas tradition with you. We hope that this becomes a meaningful tradition that draws your family closer to Jesus Christ.

How It Works

The 25 Days of Christ® is an advent activity that inspires learning and worship of Jesus Christ during the Christmas season. Each devotional listed in this guide includes a symbolic ornament with a matching scriptural reference, discussion questions, and media resources that can be found on our website. Each day's ornament can be placed in the included fabric gift bag, 'unwrapped' by a family member, and hung for display. Then, read the accompanying scripture passage and discuss the story.

Finishing Instructions

Instructions for completing your unfinished kit can be found on our website at <http://newtraditioncrafts.com>.

Personal Adaptation

The 25 Days of Christ® can be adapted for all ages and is suitable for all Christian denominations. Families are encouraged to tailor their use of these ornaments to the scriptures, stories, and media that fit their faith tradition. Optional media resources to enhance your devotional are found on our website, which you can preview beforehand. The references listed are from the King James version of the Holy Bible.
