Hotels  
Leisure  
Restaurants  
Hospitality  
Healthcare  
Spas  
Clubs  
Cruise Liners

### Use for

Seating  
Bed Bases  
Headboards  
Curtains

## Fabric Care

Use a vacuum cleaner or soft brush to remove dust and solid particles

Always try cleaning products on a hidden piece of fabric to test suitability

Wipe frequently with a damp cloth to maintain the appearance of the fabric

All spillages should be removed immediately with a clean absorbent cloth

Most stains can be removed using cold/warm water and a clean microfibre cloth, however poorly fixed clothing dyes may cause permanent staining

Stains from products containing oil and grease should be treated with a spirit based solution

If soap based cleaners are used, all soap residues must be rinsed from the fabric

Can be cleaned with mild Hypochlorite solutions (10,000 ppm of available chlorine), Haz-Tabs, Chlor-Clean or Mineral Spirit

Can be steam cleaned in situ, with steam extraction cleaner

Do not Dry Clean

Machine wash with extreme care

Remove all stains immediately before they set

Please refer to the Care Sheet on the Agua website for further details

REACH Compliant

Certificate No. FS 531220
