

Terms and Conditions – Limited Guarantee

When you purchased your noPhoto Camera Jammer from an authorized Voxx Electronics dealer, you purchased complete protection. If you receive an automated traffic camera ticket from a speed or red light camera within the first year of purchase. We will reimburse you for it subject to the below conditions:

1. To request reimbursement, you must email ticketguarantee@nolimitsenterprises.com with:
 - (a) a completed copy of the noPhoto Ticket Reimbursement form which is available by visiting <http://www.nophoto.com/pages/ticket-free-guarantee>
 - (b) a copy of your speed or red light camera ticket, which must clearly show that ticket was received for a speed or red light camera violation and that the noPhoto is visibly installed on the vehicle
 - (c) proof of ticket payment (copy of a court receipt).
2. Reimbursement is only available for speed and red light camera violations received by the registered purchaser of the noPhoto, and shall only apply to speed and red light camera violations that occur during the 1st year of ownership from your noPhoto date of purchase.
3. Any Ticket Free Guarantee submission where the noPhoto is found to have visible obstructions that prevent the noPhoto from operating such as dirt on the sensors or flash window, or improper installation, will render the submission inadmissible.
4. The Limited Guarantee expressly excludes tickets issued for or in conjunction with any one or more of the following traffic violations – school zone violations, reckless driving, racing, driving while under the influence (DUI) or driving while intoxicated (DWI) or similar violations under relevant federal, state, or local laws.
5. This Limited Guarantee does not provide reimbursement for attorney fees, late fees, court costs, accident costs, increased insurance premiums, or fees and penalties other than the statutorily mandated fine or penalty for Red Light and Speed Camera tickets.
6. This Limited Guarantee is only valid in the United States and Canada.
7. The registered applicant for reimbursement must be 18 or older and a licensed driver.
8. The Ticket Free Reimbursement Guarantee is limited to a maximum of 2 red light or speed camera tickets per purchased noPhoto. In the event that the noPhoto device does not operate correctly under the guidelines above, leading to a ticketed camera violation, replacement of the noPhoto device should be sought immediately. Once replaced, your noPhoto will still be covered for one more Red Light/ Speed Camera ticket violation within the first year of original purchase.
9. In the event of a warranty repair or replacement of the noLimits noPhoto, no reimbursement will be provided for additional tickets received between the time of acknowledgement of a faulty unit and the time of installation of a repaired or replacement unit.
