WINE LIST

Founded in 1987, Whitestone Cheese has strong links to the growing Central Otago wine industry.

To balance the acidity in sparkling wine pair with our soft cheeses like Lindis Pass Camembert, Waitaki Camembert and Mr Domett Double Cream Brie.

Our semi soft cheese works well with Sauvignon Blanc try Creamy Havarti, Farmhouse. And we love a Pinot Gris or Rose with our Aged Airedale, Round Hill or Livingstone Gold

Medium bodied chardonnays work well with our Mt Domett Double Cream Brie or Lindis Pass Camembert or try our Windsor Blue with a heavily oaked Chardonnay.

Our favourite wine pairing a Pinot Noir with any of our soft cheese or for a flavour bomb try with our flagship Vintage Windsor Blue.

WINE FLIGHT

Our on-site cheese mongers will perfectly pair store ripened cheeses with locally produced wines. Served on our custom designed paddles for a perfectly matched cheese experience
