Kevin McKerr CRO The Voice Clinic

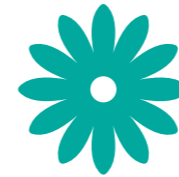

Women's Empowerment for Men is a life changing journey of self discovery and realisation that we are harbouring unconscious prejudice against women. Let us stand up for what is right and be an example for others to follow...

Kevin is an inspiring master orator and motivator with an international following. After years of speaking on IBM's global speaker circuit, Kevin now shares his passion with those seeking to improve their own speaking abilities.

Women's Empowerment for Men - 1hr talk for real men in business

Participation of women in leadership leads to optimised decision-making and business outcomes.

Companies that invest in Women's Empowerment gain consequential competitive advantage.

Companies that perform best financially have the greatest number of women in leadership roles.

Unconscious Prejudice

Also known as implicit social cognition, ***implicit bias*** refers to the attitudes or stereotypes that affect our understanding, actions, and decisions in an unconscious manner.

Supporting the Women

In our lives, teams and business

Doesn't make us less man...

It makes us more man!
