

cat birthday cheese play angel girl happy hug

Gilda Toby Ganezer, Actress

World Premiere! First American Sign Language for Babies and Toddlers DVD!

Families will learn over 200 everyday vocabulary in American Sign Language (ASL) - all about everyday life. Youngsters will also learn how to read these great words in complete English along with helpful audio.

All words and short phrases are accessible as categories, from food to things around the house.

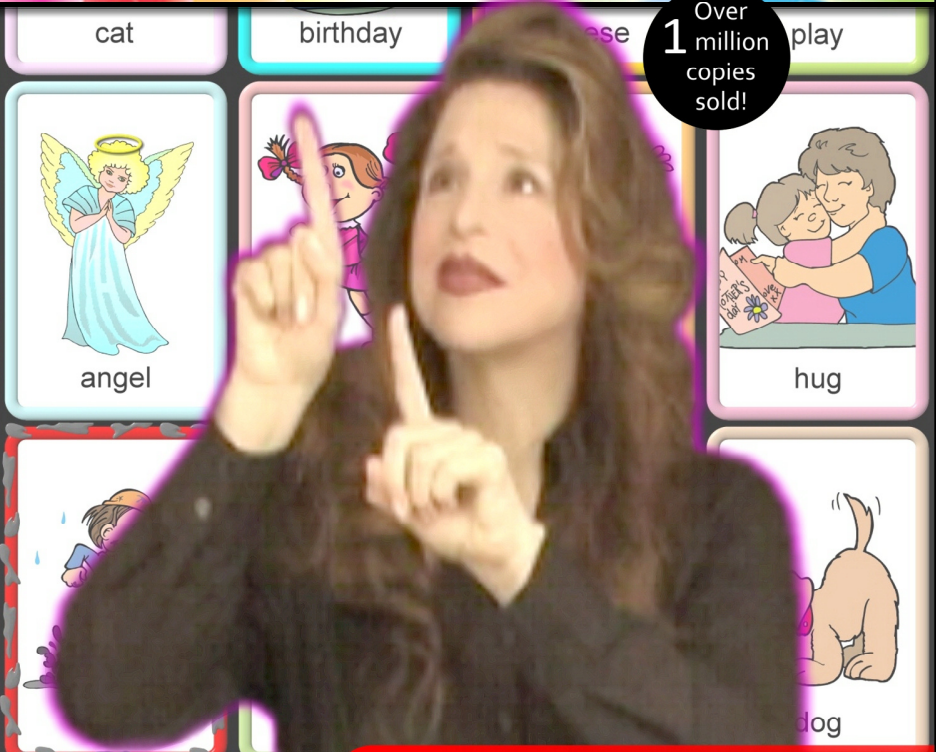

This best-selling DVD is excellent for babies, toddlers, young children as well as their families and friends. This is also best for all Deaf and hearing individuals and professionals using everyday words in all types of ASL communication daily.

Over 1 million copies sold!

**Sign Language Vocabulary Examples in this DVD:**  
 mother ★ don't understand ★ friend ★ how many ★ why ★ play  
 school bus ★ thirsty ★ don't want ★ hungry ★ cold ★ more ★ milk

"As a Deaf person since birth, I wish I had this DVD to learn both languages when I was little; so I would be able to express with much less frustration and difficulties. I truly recommend this DVD to everyone.

Avery Posner - Actor, Professor & Curriculum Developer
