

For the first time ever, every viewer will get to learn how to express common phrases, sentences and idioms in American Sign Language (ASL). You will learn over 120 complete English sentences and idioms in ASL about everyday life.

All common expressions in this DVD are important part of daily conversations among Deaf/Hard-of-Hearing students, teachers, parents and professionals, it is normal for one to encounter difficulties expressing and/or translating these expressions into ASL and English.

Our unique teachings will involve a media-rich bilingual presentation with various signing speeds to put ease on viewer's receptive skills and are made easy to learn!

You will learn the following:

- ★ 111 common English sentences in ASL
- ★ 10 English idiomatic expressions in ASL
- ★ Interactive ASL Practice
- ★ Countless bonus features with dozens of useful ASL vocabulary, ASL entertainment and more!

This DVD is a powerful learning tool developed best for ASL classes and interpreter training courses as well as all Deaf/Hard-of-Hearing and hearing individuals, families, CODAs and professionals using everyday idioms and phrases in all types of conversations daily.

Don't miss our Common Expressions in American Sign Language, Vol. 2 DVD to finish the rest of the program!
