

Common Expressions in American Sign Language, Vol. 2 is a sequel to the very popular volume 1, where every viewer will get to learn how to express new common phrases, sentences and idioms in American Sign Language (ASL). You will learn over 120 NEW complete English sentences and idioms in ASL about everyday life.

All common expressions in this DVD are important part of daily conversations among Deaf/Hard-of-Hearing students, teachers, parents and professionals, it is normal for one to encounter difficulties expressing and/or translating these expressions into ASL and English.

Our continued teachings will involve a media-rich bilingual presentation with various signing speeds and styles to put ease on viewer's receptive skills and are easy to learn!

You will learn the following:

- ★ 111 NEW common English sentences in ASL
- ★ 10 NEW English idiomatic expressions in ASL
- ★ More Interactive ASL Practice
- ★ Additional bonus features with dozens of useful ASL vocabulary, ASL entertainment and more!

This DVD is a powerful learning tool developed best for ASL classes and interpreter training courses as well as all Deaf/Hard-of-Hearing and hearing individuals, families, and others using everyday expressions throughout in all types of conversations daily.

This film is open-captioned with audio!
