

This ASL vocabulary builder DVD, is great for everyone. You will learn over 250 vocabulary words in ASL about 21 major holidays and events. Every vocabulary and expressions will be open-captioned for convenient learning.

Since everyday events and holidays are important part of daily functions among Deaf/Hard-of-Hearing students, teachers, parents and professionals, it is common for one to encounter difficulties interpreting and/or translating specific terms into ASL and English. Our easy-to-follow teachings will help you add these words to form sentences with our other grammar and sentence structures in ASL DVDs in order to ultimately develop better communication skills.
