

Humane-FX3

0-12-2

Naturally Fortified with Calcium + Iron

For Organic Growers

Description

Humane-FX3 is an 100% organic fertilizer with loads of micronutrients to amend the soil. It should be used as part of a comprehensive nutrient management program. It can be used on all agricultural crops and is for COMMERCIAL USE ONLY.

How To Use

Humane-FX3 should only be applied in accordance with the recommendations from a professional crop consultant, based on a soil analysis and specific for the crop to be grown.

Rate: Apply Humane-FX3 at 100lbs to 4,000lbs per Acre. Do not exceed this amount unless recommended to do so by a professional crop consultant.

50lb Bag (22 kg) 2000 lb Tote (907 kg) Other _____

Plant Nutrients Derived from: Pig manure and soft rock phosphate.

Storage and Disposal:

Store product in a cool dry area. Avoid exposure to high temperatures, humidity, and acids. Keep containers closed when not in use. Keep out of the reach of children and animals. In case of spill into water, contain all liquid for treatment and/or disposal as a potential hazard. This product has limited solubility in water and all downstream users should be notified in the event of a spill. Stop source of spill as soon as possible and notify appropriate personnel. CARE MUST BE TAKEN TO PREVENT ENVIRONMENTAL CONTAMINATION FROM THE USE OF THIS PRODUCT. THE USER OF THIS PRODUCT HAS THE RESPONSIBILITY TO DISPOSE OF UNUSED MATERIAL, RESIDUES AND CONTAINERS IN COMPLIANCE WITH ALL RELEVANT LOCAL, STATE AND FEDERAL LAWS. Retained residue may make empty containers alkaline. USE CAUTION!

Warranty:

There is no warranty, either expressed or implied, concerning the use of this product other than indicated on the label, by the distributor or manufacturer of this product.
