WHOLESALE COLLECTION

My name is Jori Pop, and I'm the illustrator and owner behind Linden Paper Co. In 2019, I launched Linden Paper Co. after having worked as a freelance illustrator specializing in pattern design, book covers, children's books and editorial work. My motivation for starting this new business was inspired when I began to sell art prints and greeting cards at local markets and craft fairs around Vancouver. I fell in love with sharing my illustrations through thoughtfully designed paper goods. Since then, I've become passionate about designing high-quality stationery products that allow you to approach life with beauty and connection.

ORDERING & PAYMENT

\$150 minimum opening order
\$100 minimum for subsequent orders

You will receive an invoice to confirm your order, shipping address, and shipping fees. You can pay via credit card through the invoice link. Invoices must be paid in full before your order ships out. If you wish to pay by an alternate payment method please let us know. We also accept e-transfer.

Upon request, payment terms can be negotiated (i.e. Net30) with clients who have a consistent ordering history. Late payments will accrue 5% interest per month past due.

TURNAROUND TIME

Our typical turn around time is 2-3 business days. However, turnaround times can vary up to 5 days depending on the season.

SHIPPING

All orders ship via Canada Post. If you have any particular shipping needs, please contact us with a request before placing your order. Cost of shipping will be calculated once we receive your order, and added to your invoice for approval before shipping.

For orders shipped outside of Canada, duties or taxes may occur and are the responsibility of the customer upon delivery.

RETURNS, REFUNDS & CANCELLATIONS

We only accept returns on products that are damaged in transit or that are defective. If you received a damaged product, please notify us within 5 days of receiving your order and we will send replacements for damaged products.

Cancellations or changes to your order must be made within 24 hours of placing your order.

BACK ORDERS

You will be notified of any back ordered items, and the remainder of your order will still ship, unless otherwise directed. Once the item is back in stock, it will ship out free of charge. All items in the order will still be invoiced at the time of the original purchase order.
