

Quality Double Sided Magnetic Mobile Whiteboard

Educate mobile whiteboards are an essential tool available at an incredibly low price. Do not confuse these quality mobile whiteboards with other 'cheaper' brands that have nothing but cardboard underneath the whiteboard surface. Educate whiteboards feature a traditional strong plywood on both sides giving an extraordinarily strong writing surface. Simply wheel your Educate mobile whiteboard to where it needs to be. Start communicating. Start creating ideas!

This board is manufactured using environmentally friendly materials. The backing is manufactured from agricultural 'biomass'. During the process, the natural stems and branches are ground, steamed, then pressed into fibres without any chemical or oil based additives used in the process. Bioboard is 100% biodegradable and this board can be fully recycled.
