

## Modern, Stylish, Economical Lectern

An economical choice to give the speaker a commanding presence and professional look without breaking the budget. The sloping top shelf is supported by a steel frame and is equipped with a retaining edge for easy placement of a laptop, presentation notes etc.

A second shelf is included for storing of drinking water, pens etc.

The Essential Lectern is surprising lightweight and is supplied with four locking castors making transport and setting up a breeze. Several microphone options are available including a quality gooseneck lectern microphone or flexible gooseneck microphone holder for existing standard or wireless microphone.
