2. RULES AND REGULATIONS

Points are calculated on the tendered amount before taxes. Tenders include but are not limited to cash, Visa, MasterCard, American Express, Debit, cheque, and gift cards. Sales must be under the member’s Bradford Greenhouses Garden Gallery Bloom Rewards account to earn points. A Bloom Rewards card or electronic card (via loyalty card app) must be presented at the time of purchase to collect points. For security reasons, a Bloom Rewards card or electronic card must also be presented at time of purchase to redeem points. If you choose to allow other users to access to your account via loyalty card app, you also give those users the ability to redeem all of your collected Bloom Rewards points. Customers earn 50 points per dollar of products purchased (before taxes) and generate a 1% reward. For example, 50,000 Bloom Rewards points = \$10.00 redeemable towards future purchase. Points are not issued for the purchase of gift cards, Cash-back, all labour and landscaping services and materials, freight and delivery charges, donations, ticket sales, Urn club memberships, or plant storage. The Bloom Rewards program cannot be combined with the fundraiser program or any other offer. As a reward for your continued loyalty to the Grow for the Green program, when we move existing members to the new Bloom Rewards program, Bradford Greenhouses will add a one-time, 5,000 point bonus to your new Bloom Rewards account. If the cardholder makes an in-store purchase during the Monday to Sunday period in which their birthday falls, Bradford Greenhouses will add a one-time-per-year 25,000 point bonus to the cardholder’s account.

This is a Bradford Greenhouses program and is only valid at the Barrie and Bradford Garden Gallery locations. Existing accounts with Bradford Greenhouses including those with contractor discounts and/or terms do not qualify to collect or redeem points. Points are not redeemable for cash. Points will be forfeited upon the closure of a Bloom Rewards account. Bradford Greenhouses reserves the right to change or discontinue the Bloom Rewards program at any time, without advance notice. Bradford Greenhouses is not responsible for any lost or unauthorized use of points or for any redemption of points in the Bloom Rewards program. Please notify Bradford Greenhouses (bloom@bghl.ca) immediately if your card or key tag has been lost, stolen or damaged. Bradford Greenhouses will not be liable or responsible in any manner for any tax consequences which may arise from any participation in the Bloom Rewards program. Bradford Greenhouses assumes no responsibility for errors, omissions or delays in the reporting or transferring of points earned in the Bloom Rewards program. Any failure to comply with any of these terms and conditions or any violation, fraud or abuse of the Bloom Rewards program may result in forfeiture of all points and possible account termination without compensation as deemed appropriate and necessary by Bradford Greenhouses.
