To Whom It May Concern:

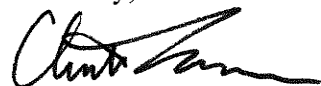

Re: BV-OSC (*Tetrahexyldecyl Ascorbate*)

In response to your request, we can confirm that BV-OSC:

- Is derived from ingredients of vegetable and synthetic origin and does not contain or come into contact with any ingredients of animal origin. It is therefore considered to be BSE/TSE free.
- Is manufactured in Japan.
- Has not been tested on animals after September 2004 and is in compliance with the EU directive for no animal testing.
- Does not contain any California Proposition 65 ingredients.
- Does not contain any GMO (genetically modified organisms).
- Does not contain any wheat proteins and is gluten free.
- Does not contain any impurities, heavy metals or residual solvents.
- Does not contain any CMRs
- Is not a fragrance and does not contain any of the 26 fragrance allergens as listed in the EU Cosmetic Directive.
- Does not contain any nano-particles.

We hope that this information is sufficient for your requirements.

Sincerely,

Clinton Bosca  
Technical Manager
