

150W LED FLOOD LIGHTS

MODEL: LUM-1FLD50

Lumilum LED Flood Light Series offers an excellent cost/value proposition in today's energy and lighting-design conscious environment. The products in this series are an efficient replacement option for fixtures that use metal halide and halogen bulbs, at a cost that pays for itself over a relatively short period of time.

PRODUCT FEATURES

- 50,000 hours of maintenance-free operation
- Uses up to 90% less energy when compared to the HID equivalent
- Color Temperature 6,000K
- CRI: >70
- Yoke-mounted head with 270° rotation capacity
- Universal voltage (120V-277V)
- Ideal for wet locations
- Suitable for ground mounting, up-lighting & down-lighting
- Insect-proof
- UL Listed *except RGB models
- RoHS compliant
- 3-year limited warranty

IDEAL USES

- Landscaping
- Exteriors
- Building facades
- Loading docks
- Signs and displays
- Walkways
