6. REFUNDS / CREDIT

Your season fees are inclusive of **one rained out week**. For any further matches that are rained out, our players will be credited or refunded in full. The credit will be returned in the following ways:

1. If paying upfront for the season - as a reduction in the next Super League season.
2. If paying fortnightly - a reduction in your future fortnightly payment. You will receive an email notifying you of the reduction. (Example: Weeknight players: May not be a \$44 payment, it may be a \$22 payment only)
3. On some individual cases, credit towards Pro Shop Items or Court Hire
In the event of a forfeit from an opposition team, you will be provided with a credit (if it is a home match, you are invited to use the court and balls for that match).

Both the Pro Shop team and Accounts team are here to work with you through your match fees and any credits owed to your team.

7. WET WEATHER

Whilst every step is taken to arrive at the correct decision, please remember we have no control over the weather. Tennis is on, until the centre calls it off. The centre cannot call the match off until at least 60 minutes before start of play.

All TennisGear associated centres, will provide updates through their Facebook page, or please call the club to attain further information.

What happens if it rains in the middle of my Super League match? Partial match refunds

Your season fees are inclusive of **1 rained out week**. Therefore, if you are rained out mid match on time in a season, you will not be refunded or credited for the remaining sets or games.

However, if it is the second time that match that is cancelled due to weather, TennisGear will offer a partial refund in line with the amount of tennis played and missed. Please see the table below

Weekday

Sets per player = 3

Refund 1/3 match fee per set not played = \$7.33 / set

Weekend

Junior League sets per player = 3

Refund 1/3 match fee per set not played = \$7.33

Super Grade/Divisions sets per player = 3

Refund 1/3 match fee per set not played = \$8

A completed set = 4 games or more played

**** Please do not make assumptions about the weather****

8. DISPUTES

Should a dispute arise:

Example;

- Line call – it is the players obligation to seek out the venues coordinator
- Scorecards – it is the players duty to sign and agree on final scores

9. FILL IN PLAYERS

All fill in players will pay a match fee.

The registered player must pay the full season fee. If the registered player is unavailable for a match, every effort by the registered player will be taken to find a fill in player.

If the registered player allocates a friend or colleague to play on their behalf, the friend/colleague will not be charged an additional fee. The registered player will not receive any credits or refunds for missing the match.

We encourage you to have an additional player in mind, in the event you are unable to play on the night. A fill-in player does not need to be registered to play.

A fill-in player must play a minimum of 5 matches throughout the season to qualify to play in the semi-finals and finals.

If given enough notice, the tennis centre Pro Shop staff may be able to find you a fill in. However, this is not a guarantee, and it is unlikely that they will be able to fill the 180 teams that play for TennisGear every week. The best solution is for you to assist them in finding yourself a suitable replacement.

10. CANCELLATION/S

All cancellations must be made in writing (email) to your TennisGear Centre.

The notice required for cancellations of your season must be accompanied by either a doctor's certificate and/or a player replacement. Cancellation cases will be managed individually.

No refunds will be given for cancellations mid-season. You will continue to pay for your spot in that team until you fill your position.

If you are unable to field a team for a scheduled match, we ask that you notify your home centre at least 24 hours in advance and have first attempted to find a replacement player yourself.

Is there a forfeit fee? How much is it?

In an effort to reduce forfeits, Tennis Brisbane enforces a **\$55 "forfeit" fee** (inclusive of GST) to be paid to the opposition tennis centre or team. This fee will go towards:

- a) compensating the tennis centre for loss of income
- b) as a deterrent towards the team that couldn't produce appropriate players
- c) to ensure the integrity of the competition by ensuring all matches take place

Who pays the forfeit?

The team that doesn't show up on time, to the correct venue with the correct level of players will be billed by our tennis centre for \$55. This will be paid directly to the tennis centre that is affected by the forfeit.

How can I avoid paying this fee?

We know that unavoidable things happen. Illness, work commitments and other scenarios may come up. We ask that you have a friend, neighbour or family member readily available to play for you if needed. Many teams have a third player in a two-player team to avoid forfeits.
