necessary**

Kanguru Blu-ray Duplicators

These high-quality, feature-rich Blu-ray Duplicators are designed to streamline data duplication and backup for Blu-ray discs, DVDs and CDs. As stand-alone units, they do not require a computer to use, but can be connected to a PC through USB for custom burning. The user friendly LCD interface and intuitive menu enables you to perform multiple tasks quickly and easily. Store frequently duplicated projects in the duplicator's built-in hard drive for added convenience (certain models).

**Extended Warranty Options Available
1 and 2 year Extensions**

EXTENDED WARRANTY OPTIONS

Extended warranties are available in 1 and 2 year periods and are added onto your Kanguru Duplicator original warranty package. While covered under warranty, Kanguru Solutions will furnish parts and labor services required to maintain the proper operating condition for the Kanguru Duplicator. Warranty covers against manufacturer defects only. The extended warranty plan will go into effect immediately following the completion of the original manufacturer's warranty period of one year. The extended warranty must be purchased within 60 days of the original purchase.
