

Kanguru's New Partner, PRO TECHNOlogy, Will Be Attending The Annual GITEX 2021 Trade Show In Dubai

Millis, MA, USA – October 15, 2021 – Kanguru's highly secure, quality products will be showcased by our new partner, PRO TECHNOlogy, at the 2021 GITEX Trade Show in Dubai UAE, October 17 – 21, 2021.

PRO TECHNOlogy has quickly become a forward-thinking partner of Kanguru for supporting clients in the UAE with military grade, hardware encryption and secure products for protecting data.

The PRO TECHNOlogy team will be able to answer questions, and demonstrate several of Kanguru's secure product solutions, along with duplicators and data storage options. Attendees will be able to visit the PRO TECHNOlogy booth at the GITEX Global 2021 in the Exhibit Halls 1-4, at booth H4-C3.

We hope you will be able to visit us!
