By self-inspecting your vehicle, you are agreeing to be liable for your own vehicle. Everything must be checked in order to protect the safety of yourself, your vehicle, as well as the safety of others. Accidents can happen quickly. Lug nuts and brakes should be checked before and after every run. If it is determined that the cause of an accident was based upon the negligence of your vehicle inspection, you will be removed from the event and will face potential consequences. Once you have finished inspecting your vehicle, after you have completely checked each and every item on this form in good faith, it is necessary to print and sign at the bottom of this page. You must bring this form to the event with you on the day of the event. If you do not, you must do another full inspection yourself on the morning of the event and could miss important information and run time. Be safe and thank you for your assistance in the smooth and safe running of this event. This form must be filled out within 72 hours of the event.
