Measuring Tips: Do Not measure yourself- have someone else measure you. Keep the tape measure snug but not tight. Measure over any clothing you expect to wear under the garment.

- _____ 1. Neck - Measure around where collar sits.
- _____ 2. Shoulders - Measure on back from shoulder seam to seam.
- _____ 3. Chest- Measure around the fullest part of the chest/bust. Do not draw the tape too tightly.
- _____ 4. Waist- Measure at the smaller circumference of your natural waist, just above the belly button.
- _____ 5. Waistband- Measure around hips where you would like the bottom to finish.
- _____ 6. Hips - Measure at the widest part of your lower hip over buttocks.
- _____ 7. Arm- Measure from shoulder tip down to wrist.
- _____ 8. Sleeve- Measure from shoulder tip down to top of thumb (halway down hand)
- _____ 9. Side Neck - Measure from side of the neck over shoulder to top of thumb.
- _____ 10. Centre Front Length- Measure from centre front collar down to desired length.
- _____ 11. Side Front Length - Measure from side of neck/shoulder seam to length desired.
- _____ 12. Back Length- Measure from the most prominent bone at base of neck (bottom of collar if wearing a shirt) to the length desired.
- _____ 13. Wrist- Measure around largest part of the wrist.
- _____ 14. Arm Hole - Measure loosely all the way around arm starting at tip of shoulder.
