365 days. 1 million food plates.

In India, over 20 crore people sleep hungry every night.

At The Plated Project, we are on a mission to change this cruel reality with art as our crusader.

Working with artists, we re-imagine everyday objects into functional works of art that drive awareness & sponsor meals for the vulnerable.

What our customers say

Not just a plate!
This is one of the few products
that took over my heart not just
for how beautiful it is, but also
for the cause behind it.

- Mrinmayee Kundalia

I just wanted to thank The
Plated Project for the amazing
plates. All of our friends and
family loved it!

- Rohit

I would like to add that this is a
great initiative and I absolutely
love the artworks. I've referred a
bunch of my friends to the
platform as well.

- Mary Margret
