Dear Sir/Ma'am

GiveIndia is delighted to have partnered with The Plated Project, brand owned and operated by MOONREEF INNOVATIONS LLP, for its campaign to raise funds and support underprivileged communities.

The Plated Project's contributions in the months of September and October 2021 have been utilized to sponsor 5000 meals and 5335 meals respectively.

The partnership not only helped us to raise funds but also to raise awareness about the cause. Thank you for supporting our mission.

Looking forward to a continued association

Thanks & Regards
