We at Zomato Feeding India would like to sincerely thank **'The Plated Project'** for your contribution of Rs. 1,75,000 towards the COVID-19 Relief Fund through October 2020. These funds have helped us distribute 37,500 meals across multiple cities in India.

You have our sincerest gratitude for your dedicated effort in helping us spread awareness about our initiative and look forward to partnering with them in the future.

Zomato Feeding India is a not for profit initiative to reduce the problem of hunger in India. We have a growing network of over 28,800 volunteers (Hunger Heroes) and are present across 181 cities in India where we have served over 12 crore meals to those in need so far.
