

#ConquerGravity

MAX LOAD : 113KG / 249LBS

BULL BAG

TRANSPORT & STORAGE

CODE : H01110

Arguably the most robust lifting bag in the world, the reinforced Bull Bag features a smart locking Velcro mesh sleeve that protects against accidental spills and drops while allowing light into the bag.

Fully load rated reinforced lifting straps allows for easy transportation of the Bull Bag to the work area and built-in tether anchor points mean the tools are ready to be used as soon as the bag is opened.

KEY FEATURES

Heavy duty Velcro closure with locking feature protects against accidental spills

A strong composite insert in the base of the bag protects against punctures

Dual-action carabiner to secure Bull Bag during use

Reinforced dual-layer mesh allows light into the bag for full content visibility

Built-in tether anchor points inside the bucket, enabling tools to be tethered directly to the inside of each bag

Made with extra heavy duty oil repellent vinyl and tested to last in the harshest of construction environments
