

GEORGE & WILLY®

A-FRAME SIGN

A simple and functional take on the traditional sandwich board, the A-Frame Sign will help you stand out in your chosen streetscape, displaying your cafe or store's branding on the sidewalk.

Signs are provided blank and made from powder-coated aluminum. We recommend branding with vinyl decals which your local sign-writers will be equipped to make.

If the sign is placed in a windy environment, we recommend using the Sand Bags (available through our website) to better support the sign.

Thank you for your purchase,

George & Willy

COMPONENTS

..... 2 x Legs

..... 1 x Horizontal Brace

..... 1 x Display Board

..... 2 x Leg Sex Bolts

..... 4 x Display Board Bolts

..... 2 x Brass Straps

..... 2 x Black or White Straps

COMPONENTS

 2 x Main Bolts

 4 x Display Board Bolts

 4 x Display Board Washers

 2 x Display Board Nuts

 1 x Allen Key

1

To assemble your A-Frame, take the two legs ① ② and unthread the sex bolts ③ ④.

2

Place both of the legs ① ② together with the stepped faces on the inside, and the flat faces on the outside.

Insert the sex bolts ③ ④ making sure that the bolt with the countersunk end ④ is facing the outside of the frame. Tighten using the allen key. ⑤

3

Next, thread the main bolt ① through the legs ② spacer ③ first plastic bushing ④ strap ⑤ second plastic bushing ⑥ and horizontal brace. ⑦

Do this on both sides, making sure that the bolt ① is nice and tight.

4

Apply your decals or vinyls to the display board. For a custom look you can even paint the display board.

5

Attach the display board (4) using the bolt (1) and nut (2) with a washer (3) in between on either side of the strap.

Do this on both sides of the display board.

6

The A-Frame Sign is now ready to be used. To store or move the sign with ease, simply push the legs together.

7

In the case of extreme conditions, our sandbags can be filled and saddled over both bottom bars for additional support.

Sand bags are available through our [George & Willy website](#).
