DEPARTURES BOARD

The Departures Board is a unique way to display your message that can be used to greet guests, share inspirational thoughts, or present a coffee shop menu.

Inspired by traditional departure boards in airports and bus terminals, the magnetic letters make changing your message easy, and the aluminum and steel frame means the letter board will stand the test of time; making it the perfect message board for your cafe, home, or office.

The Departures Board is designed with a focus on quality, functionality, and longevity, to be used as a better way to display messages in your business.

Thank you for your purchase,

George & Willy

CARE GUIDE

Where you install your product depends on its material/s.

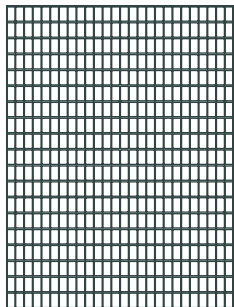

Wooden and Steel Products: We recommend using these products inside or under a shelter where they are protected from any exposure to rain or water.

Aluminum Products: These products are non-corrosive and suitable for use outside.

Chalk Products: You should use traditional dry chalk. We don't recommend using liquid chalk pens on our products.

Transportable Outdoor Signage: If there is exposure to wind, we recommend bringing signage inside to protect it from the extremes. We offer Sandbags to help support your product in moderate wind conditions.

COMPONENTS

.....1 x Board

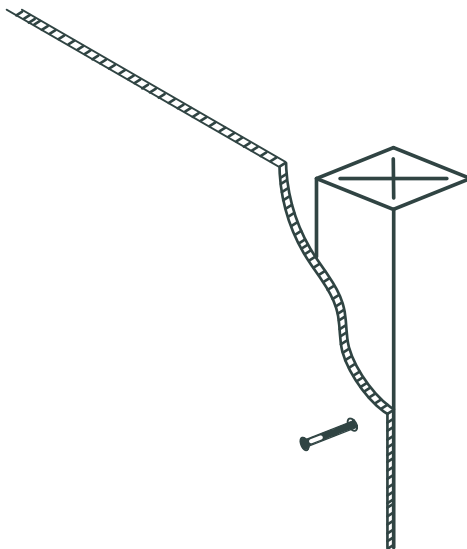

.....1 x Letter Magnet Pack

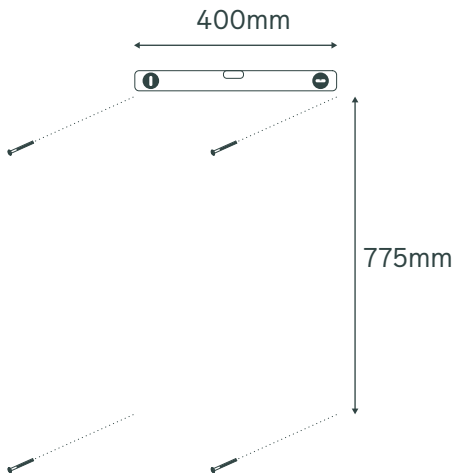

.....6 x Screws

1

We recommend fixing the screws into a stud to safely secure the board to the wall.

2

We recommend you use a level to ensure the board is straight and mark this with a pencil. Fix the screws into the wall.

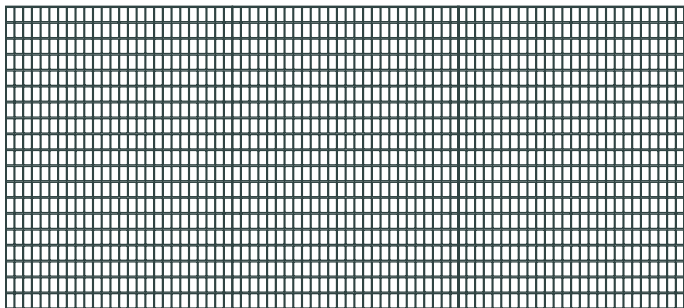

Tip: Don't screw completely into the wall. Remember to leave enough of the head out so that the board can slide into the keyholes. For extra support also mount screws at the bottom.

3

Slide screws into keyholes.

4

If you have a large message/menu, you can join several Departures Boards side by side or, mix up a wall display by pairing with some of our other board products. Display your words with the magnet letter packs, have fun + get creative!

DISCLAIMER

George & Willy products have a lifetime warranty. This covers faulty workmanship and/or materials when the product is used in normal, domestic, or commercial conditions and following the care and use instructions provided.

It does not cover normal wear and tear, accidents, or misuse of the product. We recommend using a qualified builder to complete the installation to reduce the risk of damage or injury. If the defect was caused by a manufacturing fault, the faulty product will be replaced free of charge. If the original product is no longer in production, it will be replaced with the most similar product.

Please keep all parts out of reach of small children as they may pose a choking risk.
