

GEORGE & WILLY®

SIGN SUPPLY CO.

FELT BOARD

Thank you for choosing the Felt Board. Designed with a focus on longevity and quality, the Felt Board is the perfect way to display your menu or message in your cafe, home or office.

It can be hung either landscape or portrait, and messages can be written using the letters provided. The felt board is also compatible with pins* to allow you to display images or notes.

*pins are not included

Enjoy.

CARE GUIDE

Where you install your product depends on its material/s.

Wooden and Steel Products: We recommend using these products inside or under a shelter where they are protected from any exposure to rain or water.

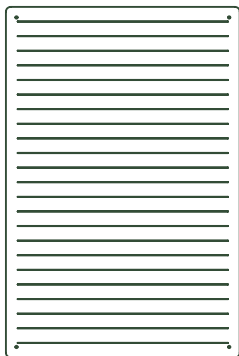

Aluminum Products: These products are non-corrosive and suitable for use outside.

Chalk Products: You should use traditional dry chalk. We don't recommend using liquid chalk pens on our products.

Transportable Outdoor Signage: If there is exposure to wind, we recommend bringing signage inside to protect it from the extremes. We offer Sandbags to help support your product in moderate wind conditions.

Felt Boards: We recommend using these products inside. Wipe down with a damp cloth to remove any dust.

COMPONENTS

..... 1 x Felt Board

..... 1 x Small Letter & Numeral Pack

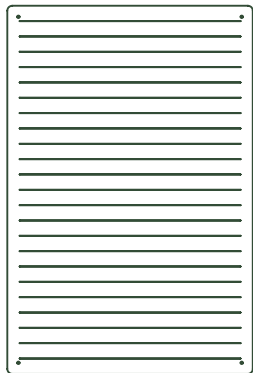

..... 1 x Large Letter & Numeral Pack

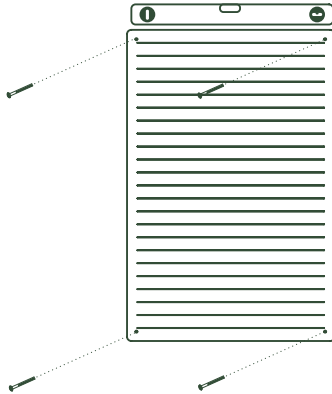

..... 6 x Screws

1

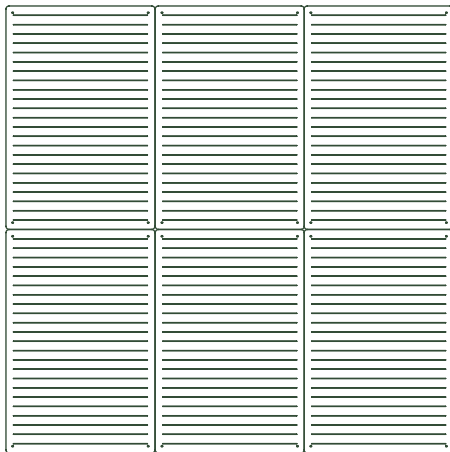

Choose a configuration for your Felt Board.
Depending on your space, the board can be installed either portrait or landscape. To correctly install your board, we recommend using a qualified builder.

2

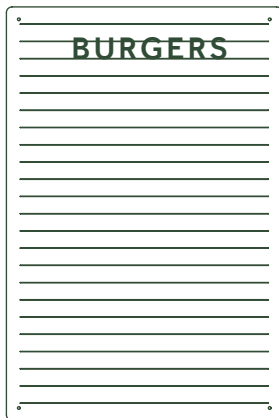

Fix the Felt Board to the wall with the screws provided. The board should be fixed into studs or a solid wall. We recommend using a level to ensure it is straight.

3

If you have a larger menu or message, joining multiple Felt Boards side by side, stacked above each other, or both (pictured above) can be very effective.

4

Slot the letters into the holes on the board to write your display. You can also use push pins on the felt board to display images or notes - get creative!

DISCLAIMER

George & Willy products have a lifetime warranty. This covers faulty workmanship and/or materials when the product is used in normal, domestic, or commercial conditions and following the care and use instructions provided.

It does not cover normal wear and tear, accidents, or misuse of the product. We recommend using a qualified builder to complete the installation to reduce the risk of damage or injury. If the defect was caused by a manufacturing fault, the faulty product will be replaced free of charge. If the original product is no longer in production, it will be replaced with the most similar product.

Please keep all parts out of reach of small children as they may pose a choking risk.
