

GEORGE & WILLY®

WOODEN TABLETOP SIGN

Perfect for an announcement, greeting, or daily special, the Wooden Tabletop Sign can feature magnet letters or be written on in chalk to make changing your message easy.

Inspired by a traditional A-Frame Sign, but in a smaller size for more intimate spaces like your countertop or bench. We recommend spelling out your message using our magnet letter packs, or applying a vinyl sticker for a more permanent announcement or decal. Just get in touch with your local signwriter.

The Wooden Tabletop Sign is provided blank and made from powder-coated steel and birch wood.

Thank you for your purchase,

George & Willy

CARE GUIDE

Where you install your product depends on its material/s.

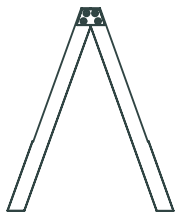

Wooden and Steel Products: We recommend using these products inside or under a shelter where they are protected from any exposure to rain or water.

Aluminum Products: These products are non-corrosive and suitable for use outside.

Chalk Products: You should use traditional dry chalk. We don't recommend using liquid chalk pens on our products.

Transportable Outdoor Signage: If there is exposure to wind, we recommend bringing signage inside to protect it from the extremes. We offer Sandbags to help support your product in moderate wind conditions.

COMPONENTS

..... 2 x Legs

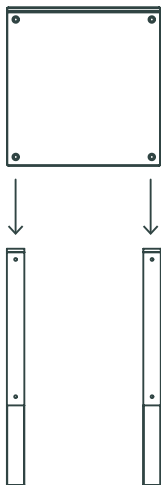

..... 2 x Panels

..... 8 x Screws

1

Fix the panels onto each side of the legs and again, firmly tighten the screws so that there is no wriggle.

2

The Tabletop Sign is now good to go!

3

You can decorate your sign with one of our magnet packs, or get your own custom vinyl stickers made by your local sign-writer.

DISCLAIMER

George & Willy products have a lifetime warranty. This covers faulty workmanship and/or materials when the product is used in normal, domestic, or commercial conditions and following the care and use instructions provided.

It does not cover normal wear and tear, accidents, or misuse of the product. If the defect was caused by a manufacturing fault, the faulty product will be replaced free of charge. If the original product is no longer in production, it will be replaced with the most similar product.

Please keep all parts out of reach of small children as they may pose a choking risk.
