

**GEORGE & WILLY<sup>®</sup>**

# BIG ROUND SIGN

The Big Round Sign is our largest wall-mounted sign, boasting a whopping 32"/80cm of signage real estate to get your business noticed. A 3D blade sign crafted from high-quality powder-coated aluminum, the Big Round Sign is easily mounted to wood, brick, and concrete and is the perfect first impression for your cafe, gallery, or store.

Signs are provided blank and made from powder-coated aluminum.

Thank you for your purchase,

George & Willy

# CARE GUIDE

Where you install your product depends on its material/s.

Wooden and Steel Products: We recommend using these products inside or under a shelter where they are protected from any exposure to rain or water.

Aluminum Products: These products are non-corrosive and suitable for use outside.

Chalk Products: You should use traditional dry chalk. We don't recommend using liquid chalk pens on our products.

Transportable Outdoor Signage: If there is exposure to wind, we recommend bringing signage inside to protect it from the extremes. We offer Sandbags to help support your product in moderate wind conditions.

# COMPONENTS

.....1 x Big Round Sign

.....6 x Concrete Screws

.....6 x Wooden Screws

1

Get in touch with your local signwriter to get your vinyl decal applied and send them your logo/branding.  
For reference: The dimensions of the round panel are Ø800mm / Ø31.5".

2

We advise you to use a qualified builder to install the Big Round Sign. Due to its size, we recommended two people install the sign. Start by choosing the desired wall space that you will mount it to.

3

Firstly, you need to mark out the screw positions. Using a level, place the sign in its desired position, and while someone holds it straight, use a pencil to mark where the 6 x screw holes will go. Drill the holes with a drill bit to suit.

4

Using a screwdriver, fix the screws into the 6 x screw holes using the concrete or wood screws supplied.

# DISCLAIMER

George & Willy products have a lifetime warranty. This covers faulty workmanship and/or materials when the product is used in normal, domestic, or commercial conditions and following the care and use instructions provided.

It does not cover normal wear and tear, accidents, or misuse of the product. If the defect was caused by a manufacturing fault, the faulty product will be replaced free of charge. If the original product is no longer in production, it will be replaced with the most similar product.

Please keep all parts out of reach of small children as they may pose a choking risk.
