

GEORGE & WILLY®

WELCOME SIGN

The Welcome Sign is perfect for greeting guests and customers inside your space.

Based on the design principles of simple functionality, the Welcome Sign is built to withstand the test of time.

Signs are provided blank and made from powder-coated aluminum. We recommend branding with vinyl decals which your local sign-writers will be equipped to make

Thank you for your purchase,

George & Willy

CARE GUIDE

Where you install your product depends on its material/s.

Wooden and Steel Products: We recommend using these products inside or under a shelter where they are protected from any exposure to rain or water.

Aluminum Products: These products are non-corrosive and suitable for use outside.

Chalk Products: You should use traditional dry chalk. We don't recommend using liquid chalk pens on our products.

Transportable Outdoor Signage: If there is exposure to wind, we recommend bringing signage inside to protect it from the extremes. We offer Sandbags to help support your product in moderate wind conditions.

COMPONENTS

..... 1 x Sign Panel

..... 1 x Base

..... 4 x Bolts

..... 4 x Nuts

..... 1 x Pin

1

To assemble the Welcome Sign, join the sign panel and base together by threading the nuts and bolts through the three holes.

2

If you would like to use your Welcome Sign outside on a concrete surface, we recommend using the locking pin provided to help secure it in place.

To use, pre drill a 10mm diameter hole into the concrete, and insert the locking pin through the hole in the base.

DISCLAIMER

George & Willy products have a lifetime warranty. This covers faulty workmanship and/or materials when the product is used in normal, domestic, or commercial conditions and following the care and use instructions provided.

It does not cover normal wear and tear, accidents, or misuse of the product. If the defect was caused by a manufacturing fault, the faulty product will be replaced free of charge. If the original product is no longer in production, it will be replaced with the most similar product.

Please keep all parts out of reach of small children as they may pose a choking risk.
