

EUROPE'S FINEST BOUTIQUES

SHOP ONLINE & ON BOARD

BOUTIQUE SHOPPING ABOVE THE CLOUDS

When we met to discuss a new form of “on-board-shopping”, it wasn’t in meeting rooms but in inspiring locations like a bar, situated high above Cologne, or at an Italian restaurant, located in an old factory building. This somehow reflects the change in the attitude of passengers and shoppers who do no longer only look for the best prices, but want to find something special. This attitude seems to mirror their great appreciation for individuality and a sustainable lifestyle.

Thus, a cooperation between one of Europe’s leading airlines with one of Germany’s rising internet shopping startups makes perfect sense because Sugartrends stands for a new lifestyle and fresh air on board. For Eurowings, it results in improving their services. While for Sugartrends, the established airline is the perfect match to foster the startup’s concept of connecting local boutiques across Europe with consumers off- and online.

We hope you enjoy your flight with Eurowings while discovering beautiful products and our more than 400 unique stores all over Europe.

Als Orte für unsere Treffen, bei denen wir über eine neue Form des „On-Board-Shoppings“ sprechen wollten, haben wir uns nicht für einen klassischen Konferenzraum entschieden, sondern für inspirierende Orte wie eine Bar mit Blick auf Köln oder einen Italiener in einem alten Fabrikgebäude. Dies spiegelt sicherlich auch die Einstellung vieler Passagiere und Konsumenten wider, die nicht nur auf der Suche nach dem besten Preis, sondern vielmehr auf der Suche nach dem Besonderen sind. Diese Haltung scheint Ausdruck einer zunehmenden Wertschätzung für Individualität und nachhaltigen Lebensstil zu sein.

Die Kooperation einer führenden europäischen Fluggesellschaft mit einem aufstrebenden deutschen Internet-Shopping-Startup bietet sich daher an, denn Sugartrends bringt einen neuen Lifestyle und frischen Wind an Bord. Für Eurowings bedeutet das eine Verbesserung des Services; für Sugartrends ist die etablierte Fluglinie wiederum der perfekte Partner, um das Konzept des Startups, lokale Boutiquen aus ganz Europa mit Konsumenten off- und online zusammenzuführen, noch besser umzusetzen.

Genießen Sie den Flug an Bord von Eurowings, und entdecken Sie wunderschöne Produkte und unsere mehr als 400 einzigartigen Läden in ganz Europa.

SHOP ON BOARD !
sugartrends.com/eurowings

At Sugartrends we have two major goals: First, we want to offer our customers unique products from independent stores that one cannot find anywhere else. Secondly, we want to provide digital solutions for small boutiques that enable them to compete on a global scale. The Sugartrends stores receive access to hundreds of thousands of international customers. The shoppers benefit from a unique shopping experience with a great variety of extraordinary items.

WHO WE ARE

Desire for inspiration, uniqueness and individualism. These are some of the reasons we travel to foreign destinations and look for something special. However, we often end up in the main shopping streets full of tourists where all stores belong to global chains. Occasionally, when we get lost, we end up in small side streets away from the main shopping areas. Here, we find what we are really looking for: unique boutiques and local stores that offer special products, individually selected by shop owners.

Sugartrends is all about these small unique local boutiques - with independent and passionate owners thoughtfully selecting their products. To make these one-of-a-kind boutiques accessible not only for locals and visitors but also for you, we showcase the finest selection of boutiques on our platform: sugartrends.com.

While Eurowings enables you to discover Europe’s most beautiful destinations, Sugartrends helps you to discover Europe’s finest boutiques. Together, we aim to create an exceptional shopping and travel experience.

Within this booklet we present some of our favorite boutiques across Europe. Independent of your destination, visiting small boutiques will not only inspire you, but it will also support local shops and make your stay unforgettable. We hope you enjoy your flight and enjoy discovering our unique stores on sugartrends.com

Inspiration, Einzigartigkeit und Individualität: Dies sind Gründe, warum wir reisen und nach dem Besonderen Ausschau halten. Oft finden wir uns allerdings in Hauptstraßen voller Touristen wieder, wo alle Läden Teil großer Ketten sind, die es überall gibt. Wenn wir uns in versteckten Nebenstraßen verlaufen, stoßen wir dann manchmal unerwartet auf Läden mit besonderem Charme. Diese Läden sind es, die wir eigentlich suchen.

Bei Sugartrends geht es um genau diese lokalen Boutiquen, die von passionierten Inhabern geführt werden. Um es allen Boutique-Liebhabern zu ermöglichen, diese Läden zu finden, präsentiert Sugartrends eine exklusive Auswahl der besten Boutiquen auf seiner Plattform: [Sugartrends.com](https://sugartrends.com).

Während du mit Eurowings die schönsten Ziele in Europa entdecken kannst, hilft dir Sugartrends, Europas beste Boutiquen zu entdecken. Unser gemeinsames Ziel ist es, ein außergewöhnliches Reise- und Einkaufserlebnis zu kreieren.

Dieses Magazin präsentiert unsere Lieblingsboutiquen in Europa. Egal, wo deine Reise mit Eurowings hingeht, ein Besuch in lokalen Läden wird dich nicht nur inspirieren, sondern unterstützt gleichzeitig die lokale Wirtschaft und wird deinen Trip garantiert zu einem unvergesslichen Aufenthalt machen. Wir wünschen dir einen angenehmen Flug und viel Freude beim Entdecken unserer Läden auf sugartrends.com.

WELCOME TO COLOGNE

Our store Magasin 2 introduces their city

Everyone who comes to Cologne for the first time wants to see the “Kölner Dom”, Cologne’s famous cathedral. Nearby, Cologne’s most visited shopping streets, the Hohe Straße and the Schildergasse, are situated. The Schildergasse is Germany’s most frequented shopping street with many mainstream stores, which you can find in other German and European cities, as well.

You have to go to areas like Ehrenfeld or the Belgian Quarter, where our store *Magasin 2* is located, if you are looking for local designers, artists, and independent boutiques. Alongside our unique selection of Scandinavian and independent fashion brands, we also established our own fashion brand “Good Morning Cologne”. In the Belgian Quarter you do not only find our store, but also a lot of cafés, restaurants, bars, and galleries – you should definitely come visit this quarter when you are in Cologne. It is a super lively neighborhood, where several art and design events take place every year. So, if you happen to be in Cologne, just come by and say hello!

Wenn man nach Köln reist, denkt man vor allem an den Kölner Dom. Neben dem Kölner Dom befinden sich mit der Schildergasse und der Hohe Straße zwei der meistbesuchten Shoppingstraßen Deutschlands. Dort sind eher die Mainstream-Geschäfte zu finden, die es auch in anderen Städten Deutschlands oder Europas gibt. Um Produkte lokaler Designer und unabhängiger Boutiquen zu finden, begibt man sich am besten in die kleineren Viertel wie Nippes, Ehrenfeld oder das Belgische Viertel. Hier im Belgischen befindet sich auch mein Laden *Magasin 2* mit einer Auswahl an skandinavischen Marken, Produkten aufstrebender Modedesigner sowie meinem modelabel „Good Morning Cologne“. Im Belgischen Viertel gibt es darüber hinaus neben vielen schönen Läden auch zahlreiche Cafés, Bars und Galerien - für Köln-Besucher ein absolutes Muss. Kommt vorbei und sagt Hallo!

WELCOME TO BERLIN

Berlin in 3 words: Tolerant, lively and diverse

I like the coolness, the tolerance that Berlin has to offer. I like the interesting people from all parts of the world that come to Berlin and contribute to the city's continuously changing vibes. Sometimes the "newcomers" open pop-up stores, sometimes they spoil us with restaurants offering traditional food of their home country. I love listening to the foreign languages you hear in the streets of Berlin.

Therefore, Berlin is the ideal location to break with traditional markets and set new, fresh concepts and goals. Besides the well-known main locations for shopping like the Kurfürstendamm, Friedrichstraße or Alexanderplatz, you definitely have to take a closer look at the local stores in Friedrichshain, Kreuzberg or Neukölln. A variety of different individual products and designs can easily be found here. And how does Berlin smell? Lively and young as the metropolis itself, summarized in our lively EdP no. 21 Berlin perfume: bergamot meets lemon, cedar meets cardamom.

Ich mag die Lässigkeit, die Toleranz, die Berlin bietet. Es sind die spannendsten Leute aus allen Teilen der Welt, die nach Berlin kommen und die Stadt verändern. Mal eröffnen sie Pop-Up Stores, mal beglücken sie uns mit Restaurants, in denen die traditionelle Küche ihrer Heimat angeboten wird. Ich liebe es, auf den Straßen fremde Sprachen zu hören. Berlin ist der ideale Standort, um traditionelle Märkte zu durchbrechen und neue, frische Konzepte umzusetzen. Neben den bekannten Shopping-Spots in Berlin, wie dem Kurfürstendamm, der Friedrichstraße oder dem Alexanderplatz, sollte man definitiv ein Auge auf die lokalen Läden in Friedrichshain, Kreuzberg oder Neukölln werfen. Der Wunsch nach Varianten individueller Produkte und Designs kann hier wunderbar erfüllt werden.

Und wie riecht Berlin? Lebendig und jung wie die Metropole selbst, verkörpert von unserem quirligen EdP No. 21 Berlin Duft: Bergamotte meets Zitrone, Zedernholz meets Kardamom.

- Stefanie Hanssen

5 CUPS and some sugar

We are five young men from Berlin who were tired of drinking boring standard tea. Thus, we launched our shop in 2012 and established our manufacture in 2013. We have offered the city's probably most exciting tea ever since. It is not just that our mixtures are utterly convincing, but also the four different designer packagings ensure the uniqueness of our products.

Wir sind fünf Berliner Jungs und hatten genug von Einheitstee. 2012 haben wir unseren Shop 5cups.de gegründet und 2013 unsere Manufaktur eröffnet. Seitdem gibt es bei uns den vielleicht aufregendsten Tee der Stadt.

La Femme MiMi

La Femme MiMi likes it best to dress normal women who want to feel elegant and feminine at all times. She knows how to combine colors and patterns in a way that always looks classy and individual. She especially likes to work with silk due to her conviction that it is the sexiest material for clothes.

Am meisten gefällt es MiMi, ganz normale Frauen auszustatten, die sich durchgehend elegant und weiblich fühlen wollen. Sie weiß, wie man Farben und Muster so kombiniert, dass sie immer raffiniert wirken. Besonders gerne arbeitet sie mit Seide, die sie für das ‚sexieste‘ Material hält.

WELCOME TO VIENNA

A day in the sixth district of Vienna

A great start into the day is guaranteed at *Phil's*, where breakfast between book shelves creates its own atmosphere. Then, it's time to visit the Kunsthistorische Museum, where you can see Klimt's "ceiling paintings" from very close due to a specially built gallery.

Franz Lehar worked in the Theobaldgasse 16, the rooms of his publishing house are today's business premises of *HABARI*. Here in the Theobaldgasse, next to the *HABARI* with its lifestyle products from around the world, you will find several other charming boutiques with a great selection of products.

After this shopping trip, it may be time to think about the evening. For opera lovers, the Theater an der Wien – just around the corner from our shop – is the place to go. The theater is known for its outstanding opera productions in the very special atmosphere of an old music theater. To round off the evening with a good glass of wine and dinner, we recommend the *Ludwig van*. Have fun and enjoy the day in our beautiful city!

Ein guter Einstieg in einen Tag in Wien ist ein Frühstück zwischen Bücherregalen bei *Phil* in der Gumpendorferstrasse. Danach bietet sich ein Besuch des Kunsthistorischen Museums an, wo man von einer eigens dafür eingebauten Galerie Klimts "Deckenbilder" aus nächster Nähe betrachten kann.

Franz Lehar wirkte in der Theobaldgasse 16, die Räume seines Verlags sind heute die Geschäftsräume von *HABARI*. Hier in der Theobaldgasse findet man neben *HABARI* mit seinen Lifestyleprodukten aus der ganzen Welt noch diverse andere charmante Boutiquen.

Nach dem Einkaufsbummel wird es Zeit, an den Abend zu denken. Für Opernfreunde liegt das Theater an der Wien um die Ecke. Wirkungsstätte von Komponisten wie Mozart ist das Theater heute für seine herausragenden Opernproduktionen in dieser ganz speziellen Atmosphäre eines alten Musiktheaters bekannt. Um dann bei einem guten Glas Wein den Abend ausklingen zu lassen, empfiehlt sich das *Ludwig van*. Viel Vergnügen und genieße unsere wunderbare Stadt Wien!

CARMEN & ANTONIA

With the opening of CARMEN & ANTONIA we made our dream of having a concept store come true. We got this idea at a joint trip to Spain, both of us wanted to change our careers, wanted to develop further... and from the beginning we felt connected with love for beautiful things and good design. The name of our store was also quickly found - simply the combination of our names. Mit CARMEN & ANTONIA haben wir uns einen Traum verwirklicht. Die Idee kam auf einem gemeinsamen Ausflug nach Spanien. Wir führen ein handverlesenes Sortiment an schönen Produkten - auf die Auswahl der einzelnen Stücke legen wir besonderen Wert!

Leather romance in Barcelona

Barcelona is an inspiring city where artisan work meets the latest trends. With a great variety of unique boutiques offering traditional hand-crafted pieces that can't be found anywhere else, Barcelona is a one-of-a-kind metropolis. Passeig de Gràcia, the Ramblas, Plaça de Catalunya and Sant Martí, where our store *JUAN-JO* is located, are some of our favorite areas to enjoy local shopping and to discover some of Barcelona's highlights.

We are passionate about leather. Growing up in my parents' atelier and being constantly surrounded by the smell of leather, I totally fell in love with its touch and its infinite possibilities. This passion is reflected in our leather bags and accessories. Meanwhile, Ana, my youngest daughter, is joining our passionate team, continuously spreading the family's tradition by adding her contemporary ideas to the brand. We at *JUAN-JO* work very hard in order to keep up our high-quality standards and love for details. ¡Benvinguts a Barcelona!

Barcelona ist eine inspirierende Stadt, in welcher Handwerksarbeit auf die neuesten Trends trifft. Was Barcelona vor allem zu einer einzigartigen Metropole macht, ist die große Auswahl an einzigartigen Boutiquen, die ganz besondere handgemachte Einzelstücke anbieten. Passeig de Gràcia, the Ramblas, Plaça de Catalunya und Sant Martí, wo auch unser Store *JUAN-JO* zu finden ist, sind wunderbare Orte, um die Highlights von Barcelona zu entdecken.

Leder ist unsere Leidenschaft. Da ich im Atelier meiner Eltern aufgewachsen bin und ständig von Ledergeruch umgeben war, habe ich mich total in seine Haptik und seine unendlichen Möglichkeiten verliebt. Diese Leidenschaft spiegelt sich in unseren Ledertaschen und Accessoires wider. Inzwischen ist Ana, meine jüngste Tochter, Teil unseres leidenschaftlichen Teams, das die Tradition der Familie kontinuierlich weitergibt und der Marke zeitgenössische Ideen hinzufügt. ¡Benvinguts a Barcelona!

DEBOSC

DEBOSC is a family fascinated by wood. Our father, Lluís, had the idea of finding new ways to relate to the material. He had always worked with wood, which is an essential part of the landscape in our hometown, Anglès. The rest of the family have joined this project, which might be small, but which means a lot to us.

DEBOSC ist eine Familie, die von Holz fasziniert ist. Vater Lluís arbeitete immer schon mit dem Material. Daraus entstand die Idee, neue Wege zu beschreiten Holz zu verarbeiten - Holz, welches die Landschaft in unserem Heimatort Anglès ganz wesentlich prägt.

Our store Kari Kari introduces their city

Its unique location on the shores of Lake Zurich, the Alps at the horizon, and its unbelievably urban diversity, made Zurich a special place for me. The many individual cafés, bars, shops, and great projects that are set up here cause Zurich to be a vibrant and diverse city. In the 3rd circle neighborhood you can find my wonderful store *Kari Kari*. Surrounded by several other boutiques, it is the perfect location for strolling around. Definitely worth a visit!

Furthermore, Zurich is a small dynamic metropolis with a wide range of mentalities and lifestyles. For me, besides this diversity and cosmopolitanism it is the small hidden places and the closeness to nature that made Zurich become my home of choice. Have a great day in this wonderful city!

Zürich ist mir mit seiner einmaligen Lage am Zürichsee, den Alpen am Horizont und seiner unglaublich urbanen Vielfalt sehr ans Herz gewachsen. Die vielen individuellen Cafés, Bars, Geschäfte und tollen Projekte, die hier auf die Beine gestellt werden, machen Zürich zu einer lebendigen und vielseitigen Stadt. Im 3. Kreis ist mein – wundervoller Laden *Kari Kari* zuhause, umgeben von weiteren Boutiquen, lädt unser Viertel zum Stöbern ein. Es lohnt sich auf jeden Fall vorbeizuschauen!

Weiterhin ist Zürich eine kleine dynamische Metropole, in der man auf eine Vielzahl an Mentalitäten und Lebensstilen trifft. Für mich sind es neben dieser Vielfalt und Weltoffenheit die kleinen versteckten Orte und die Nähe zur Natur, die Zürich zu meiner Wahlheimat gemacht haben. Ich wünsche einen wunderschönen Tag in unserer tollen Stadt!

WELCOME TO PARIS

Claire Naa

Claire and Arnaud, the French design friends, founded their own brand "Origami Jewelry", inspired by the beauty of Japanese creativity. The inspiration came during a night in the winter when their friend Masayuki Muraki taught them the typical Japanese folding handcraft. Because of the endless possibilities and the pleasure of creating new origami the game took all night long. The idea of origami earrings was born.

Die französischen Designerfreunde Claire und Arnaud wurden durch ihren japanischen Freund Masayuki Muraki zur Schaffung ihrer Marke „Origami Jewelry“ inspiriert. An einem Winterabend führte Masayuki die beiden in die japanische Falttechnik ein. Daraus entstand die Idee der Origami Ohringe.

WELCOME TO MALLORCA

Our store Tara's introduces their city

When thinking about Mallorca, the first things that come to people's minds are its paradise beaches, its wide natural areas and its fun nightlife. But beyond that, Mallorca is a place with tradition and has recently become one of the favorite destinations for high-end tourists, who are interested in exclusiveness and top-quality products and services.

Those are exactly the values that define *Tara's* philosophy. For me, luxury products and craftsmanship have much in common since they are both the result of a laborious-handmade process, which entails precision and uniqueness. Our flagship products are inspired by the traditional Mallorquin basket, reinvented to offer a sophisticated and timeless bag "Made in Spain".

Wenn man an Mallorca denkt, denkt man zuerst an die paradiesischen Strände, die weitläufigen naturbelassenen Gebiete und an das ausgiebige Nachtleben. Aber Mallorca ist auch ein Ort mit viel Tradition, der gerade in letzter Zeit zu einem der beliebtesten Reiseziele von High-End Touristen geworden ist, die vor allem auf Exklusivität und Qualität der Produkte und des Service großen Wert legen.

Genau das sind auch die Werte, die *Tara's* Philosophie definieren. Für sie haben Luxusprodukte und Handwerk viel gemeinsam, beide sind das Ergebnis mühsamer Handarbeit, die Präzision und Einzigartigkeit verlangt. Unsere Produkte sind durch die mallorquinischen Körbe inspiriert, die neu interpretiert und umgesetzt zu einer raffinierten und zeitlosen Tasche "Made in Spain" führen.

- Tara Salgado

Tara's

Trained in her own atelier, Tara learned from a local artist in the leather town of Inca, Mallorca. Together they started by developing a handbag based on the traditional Mallorcan basket, an icon bag on the island, and turned it into a classy and colorful leather basket. Tara is devoted to the development of her stylish contemporary handbags. Designer-Taschen vereinen Handwerkskunst, Qualität und Design und sorgen für atemberaubende, einzigartige Kunstwerke mit der Marke made in Mallorca. Bei Tara findet man zeitgenössische Handtaschen aus einzigartigen Kollektionen.

JoGa Glass

JoGa Glass is a space to create and exhibit glass blown objects, using the traditional Murano's techniques to reproduce Josean Garcia's personal taste and his love for colours and design. The Roll-Up Technique is a traditional technique which was first used in the 1500s and it is the same technique used to make the famous Murrine glass. JoGa Glass ist ein Ort, um individuelle Objekte, die mit der traditionellen Murano Technik geblasen werden, zu erschaffen und auszustellen. Die Aufrolltechnik wurde das erste Mal im 16. Jahrhundert angewendet und wird bei JoGa Glass weitergeführt.

Our story began more than 40 years ago when my parents, Alma and Aloyzas Duoba, created their first amber and jewelry pieces. Since then, my family and amber belong together - it has become a family tradition. We take part in various exhibitions and conferences. We do not only look for novelties, but also foster ancient traditions.

Unsere Geschichte hat vor mehr als 40 Jahren begonnen, als meine Eltern, Alma und Aloyzas Duoba, ihre ersten Bernstein- und Schmuckartikel kreierten. Seitdem arbeiten wir mit Bernstein, woraus mittlerweile eine Familientradition entstanden ist.
